

DYNAMICS 365 & POWER APPS

EXPLAINED

There's this thing called the **Power Platform**
AKA The Microsoft Business Application Ecosystem - made up of 5 components.

Both Dynamics 365 & Power Apps are model-driven apps

Microsoft PowerApps 

A model-driven app

Used to build a CRM from scratch.

Ideal if you have a custom-requirement not serviced by Dynamics 365. i.e. a Membership CRM.

Canvas apps

Low-code drag-and-drop way of building applications.

Ideal for task-based or role-based solutions.

 Microsoft Dynamics® 365

Also a model-driven app!

An 'Out-of-the-box' solution with pre-baked features and tools

The customer engagement suite of products that include sales, marketing and customer service.

Technically, both solutions are Power Apps, as it's the same nuts and bolts underneath!

Dynamics Of Power:

Power and Gender in European Rural Development Henk de Haan,2017-11-28 Since the early 1990s new public and private actors emphasizing issues such as landscape nature environment and food safety have challenged EU rural development policies This book looks at this innovative framework and in particular the impacts of the interactions between established interests and newcomers in local power relations Specific attention has been given to the gendered nature of these processes Case studies from throughout Western Europe analyze local rural power relations and present overviews of the significance of rural gender relations The book demonstrates that traditional and new forms of social organization in rural areas create new forms of political participation Changing forms of social capital and political participation not only influence the relation between state and civil society but also male female relationships The book argues that the dynamics of these gendered power relations produce competing discourses which can often hinder policy making and implementation

The Dynamics of Power in Counselling and Psychotherapy Gillian Proctor,2002 Given that people who are distressed often choose to go for help in therapy it is therapists duty and responsibility to deconstruct practices and to be clear about the ethics values and effects of the practices they use This book is based on the values and ethics of justice and responsibility to resist domination and totalising discourses
