**Old Farm Country Cookbook** Jerry Apps, Susan Apps-Bodilly, 2017-06-20 When Jerry Apps was growing up on a Wisconsin farm in the 1930s and 1940s times were tough Yet most folks living on farms had plenty to eat Preparing food from scratch was just the way things were done and people knew what was in their food and where it came from Delicious meals were at the center of every family and social affair whether it be a threshing day dinner with all the neighbors the end of school year picnic or just a hearty supper after chores were done As Jerry writes For me food will always be associated with times of good eating storytelling laughter and good hearted fun Inspired by the dishes made by his mother Eleanor and featuring recipes found in her well worn recipe box Jerry and his daughter Susan take us on a culinary tour of life on the farm during the Depression and World War II Seasoned with personal stories menus and family photos Old Farm Country Cookbook recalls a time when electricity had not yet found its way to the farm when making sauerkraut was a family endeavor and when homemade ice cream tasted better than anything you could buy at the store [Country Cookbook](#) ,1988
