**Dennis Joseph Enright**

## **Alluring Problem An Essay On Irony:**

**The Alluring Problem** Dennis Joseph Enright, 1986 With his poet's sensitivity to the telling limits of ambiguity and his scholar's scope of source materials Enright makes a contribution to the study of words at play that invites both the serious student and the dilettante to join in Highly recommended Library Journal From Shakespeare to Swift from Hardy to the return of disco music and platform shoes irony has always had a favored place in our culture Here in his inimitable style D J Enright provides a delightful assessment of the uses of irony in literature and life over the last few centuries

**The Alluring Problem** Dennis Joseph Enright, 1988 *This is the Sound of Irony: Music, Politics and Popular Culture* Katherine L. Turner, 2016-03-03 The use of irony in music is just beginning to be defined and critiqued although it has been used implied and decried by composers performers listeners and critics for centuries Irony in popular music is especially worthy of study because it is pervasive even fundamental to the music the business of making music and the politics of messaging Contributors to this collection address a variety of musical ironies found in the notes themselves in the text or subtext and through performance reception and criticism The chapters explore the linkages between irony and the comic the tragic the remembered the forgotten the co-opted and the resistant From the nineteenth to twenty first centuries through America Europe and Asia this provocative range of ironies course through issues of race religion class the political left and right country punk hip hop folk rock easy listening opera and the technologies that make possible our pop music experience This interdisciplinary volume creates new methodologies and applies existing theories of irony to musical works that have made a cultural or political impact through the use of this most multifaceted of devices

[Ironies of Ulysses](#) David G. Wright, 1992-01-01 This book brings a new perspective to the study of Joyce's great novel The author argues the case for employing the concept of irony as an explicatory tool in the study of Ulysses and indeed of the whole Joycean canon Moreover he uses modern critical theory to enlarge our understanding of irony itself and to suggest how such theory has an appropriate object of attention in Joyce Wright defines irony as the use of a false textual surface to direct a reader's attention towards initially concealed premises or implications Thus an author lays a partly false trail but one which usually leads towards a more authentic or appropriate understanding of the subject under discussion Joyce's work is full of this kind of semantic counterpoint Indeed it is essential to his whole comic method Both Portrait of the Artist As a Young Man and Ulysses are full of ironic contrasts between the desire for order certainty and stability on the one hand and random meetings and perverse associations The author argues that Joyce's other favorite techniques of ambiguity and punning are so closely related to that of irony that all three may legitimately be considered as a unity specially formed and deployed by Joyce in his mature work Contents Preface List of Abbreviations Introduction Local Ironies Single Episode Ironies Inter Episode Ironies Ironies from Early Joyce Ironies from Homer to Shakespeare Bibliography Index

**Identity and Social Change** Joseph E. Davis, 2011-12-31 Identity and Social Change examines the thorny problem of modern identity Trenchant critiques have come

from identity politics focusing on the construction of difference and the solidarity of minorities and from academic deconstructions of modern subjectivity This volume places identity in a broader sociological context of destabilizing and reintegrating forces The contributors first explore identity in light of economic changes consumerism and globalization then focus on the question of identity dissolution Zygmunt Bauman examines the effects of consumerism and considers the constraints these place on the disadvantaged Drawing together discourses of the body and globalization David Harvey considers the growth of the wage labor system worldwide and its consequences for worker consciousness Mike Featherstone outlines a rethinking of citizenship and identity formation in light of the realities of globalization and new information technologies Part two opens with Robert Dunn s examination of cultural commodification and the attenuation of social relations He argues that the media and marketplace are part of a general destabilization of identity formation Kenneth Gergen maintains that proliferating communications technologies undermine the traditional conceptions of self and community and suggest the need for a new base for building the moral society In the final chapter Harvie Ferguson argues that despite the contemporary infatuation with irony the decline of the notion of the self as an inner depth effectively severs the long connection between irony and identity

Teaching Modern British and American Satire Evan R. Davis, Nicholas D. Nace, 2019-05-01 Offers pedagogical techniques for teaching British and American satire from 1700 to the present in college classrooms including considerations of modern theories of satire verbal irony parody gender elitism postcolonialism comics television offensive humor and individualism Provides bibliographical resources and suggestions for teaching satire in composition gateway and survey courses

**Questioning Minds** Guy Davenport, Hugh Kenner, 2018-10-30 The most intellectually exhilarating work published in 2018 A lasting treasure Michael Dirda *The Washington Post* Hugh Kenner 1923 2003 and Guy Davenport 1927 2005 first met in September 1953 when each gave a paper on Ezra Pound at Columbia University They met again in the fall of 1957 and their correspondence begins with Kenner s letter of March 7 1958 In the next forty four years they exchanged over one thousand letters An extraordinary document of a literary friendship that lasted half a century the letters represent one of the great and with the dawn of the age of text and Twitter one of the last major epistolary exchanges of its kind Students and lovers of modernism will find in the letters matchless engagements with Eliot Joyce Beckett Basil Bunting Charles Tomlinson R Buckminster Fuller Stan Brakhage Jonathan Williams and the American modernists William Carlos Williams Marianne Moore and Louis Zukofsky The correspondence ends with Kenner s letter of August 9 2002 lamenting how they had drifted apart The extensive notes and cross referencing of archival sources in *Questioning Minds* are a major contribution to the study of literary modernism The letters contained within explore how new works were conceived and developed by both writers They record faithfully and with candor the urgency that each brought to his intellectual and creative pursuits Here is a singular opportunity to follow the development of their unique fictions and essays

**Feminist Uses of Irony in Contemporary Latin American Literature** Svetlana Todorovic Karpe, 2002 *The*

*Trickster Shift* Allan J. Ryan, 1999 Over the last 15 years a select group of professionally trained and politically astute Canadian artists of Native ancestry has produced a compelling body of work that owes much of its power to a wry and ironic sense of humour rooted firmly in the oral tradition. More than a critical political strategy, such humour reflects a widespread cultural and communal sensibility embodied in the mythical Native American Trickster. This book explores the influence of this comic spirit on the practice of various artists through the presentation of a Trickster discourse that is a body of overlapping and interrelated verbal and visual narratives by tricksters and about-trickster practice.

**A Reference Guide for English Studies** Michael J. Marcuse, 1990-01-01 This text is an introduction to the full range of standard reference tools in all branches of English studies. More than 10 000 titles are included. The Reference Guide covers all the areas traditionally defined as English studies and all the field of inquiry more recently associated with English studies. British and Irish American and world literatures written in English are included. Other fields covered are folklore, film, literary theory, general and comparative literature, language and linguistics, rhetoric and composition, bibliography and textual criticism, and women's studies.

*The Comedy of Romantic Irony* Morton Gurewitsch, 2002-06-21 Few literary concepts evoke the kind of perplexity engendered by a more than passing acquaintanceship with romantic irony. In *Comedy of Romantic Irony* Morton Gurewitsch argues that European romantic irony, shorn of the excessively capacious and somewhat nebulous aspects of German romantic ironic theory, is essentially a comedy of ambivalence, a comic tug of war between genuine romantic idealism and authentic anti-romantic disenchantment. Gurewitsch claims, moreover, that European romantic irony, which is found in writers ranging from Byron and Heine to Flaubert and Dostoevsky, is romanticism's unique contribution to the history of literary comedy.

**Play Resumed** Dennis Joseph Enright, 1999 This volume has the same breadth, the same wide range of reference, the same revealing pronouncements as its successful predecessor *Interplay: A Kind of Commonplace Book* (OUP, 1995). It's very funny, very serious, and notable for its good sense and wisdom. From religion to soap opera, computers to childhood, D J Enright observes keenly, sardonically, always sympathetically.

[Stealing the Story](#) Ava Zilberfain, 2007-04 A reading of Shakespeare's plays that uses the mimetic process to describe the ways that a repositioning of the point of origin gives birth, often to destructive impulses.

**Interplay** Dennis Joseph Enright, 1995 A commonplace book by its very nature must be unique. D J Enright's proves to be a mixture of personal, critical, playful, and profound. It is a commerce between the author and many other authors, touching, for instance, on childhood, young murderers, the use and abuse of stereotypes, modern biography, ars erotica, contemporary manners, old age, animals, obsolete notions of integrity in business and government, and the machinery of dreaming. A common reader, himself and as light of heart as the subject, will allow the author to explore such prose poets as Nietzsche, Schopenhauer, and Freud. He looks into the world of books, contemporary Grub Street, the eccentricities of criticism, the reductive tendency of current fiction, literary theory and practice, and the necessity and impracticability of censorship. There are also some new poems in a work that is amusing and thought-provoking and highly

revealing of Enright himself Some extracts Voltaire giving a lesson in tragic diction to a young actress who lacked fire My dear young lady act as though the devil were in you What would you do if a cruel tyrant had just separated you from your lover She answered I would take another Biography the great growth industry the stealer of review space the crowder out of bookshops Given the depravity of adults we can only hope that children are not as innocent as probably most of them are

**Proceedings** Cambridge Philological Society,2010 The American Humanities Index Stephen H. Goode,1990 The New Republic Herbert David Croly,1987 **Literary Criticism Register** ,1986 **Dictionary of International Biography** ,1990 A biographical record of contemporary achievement together with a key to the location of the original biographical notes *People of Today* ,2002

## Decoding **Alluring Problem An Essay On Irony**: Revealing the Captivating Potential of Verbal Expression
