

Alphabets Birthdays

Gertrude Stein

Alphabets Birthdays:

To Do Gertrude Stein, 2011-05-31 Alphabets and names make games and everybody has a name and all the same they have in a way to have a birthday muses Gertrude Stein in *To Do A Book of Alphabets and Birthdays* Written in 1940 and intended as a follow up to her children's book *The World Is Round* published the previous year *To Do* is a fanciful journey through the alphabet Each letter is represented by four names including Gertrude for G and features a short story told in verse This is a birthday book I would have liked as a child said Stein of *To Do* Publishers rejected the manuscript as too complex for children and it remained unpublished during Stein's lifetime A text only version issued from Yale University Press in 1957 Now more than seventy years after Stein penned the story *To Do* is appearing with illustrations realizing the author's original concept for the book Giselle Potter's witty and stylish illustrations provide a perfect complement to Stein's uniquely whimsical world of words creating a truly delightful often hilarious book that adults and children alike can appreciate and love

C Is for Cake! Laura Purdie Salas, 2010-01-01 Birthdays are full of streamers balloons and presents Get ready to celebrate in *C is for Cake*

Alphabets and Birthdays Gertrude Stein, 1957 *Gertrude Stein's Surrealist Years* Ery Shin, 2020-06-23 Examines how surrealism enriches our understanding of Stein's writing through its poetics of oppositions Gertrude Stein's *Surrealist Years* brings to life Stein's surrealist sensibilities and personal values borne from her WWII anxieties not least of which originated in a dread of anti-Semitism Stein's earlier works such as *Tender Buttons* and *Lucy Church Amiably* tend to prioritize formal innovations over narrative building and overt political motifs However Ery Shin argues that Stein's later works engage more with storytelling and life writing in startling ways most emphatically and poignantly through the surrealist lens Beginning with *The Autobiography of Alice B Toklas* and continuing in later works Stein renders legible her war-torn era's jarring dystopian energies through narratives filled with hallucinatory visions teleportation extreme coincidences action reversals doppelgangers dream sequences spanning both sleeping and waking states and great whiffs of the occult Such surrealist gestures are predicated on Stein's return to the independent clause and by extension to plot characterization and anecdotes By summoning the marvelous in a historically situated world Stein joins her surrealist contemporaries in their own ambivalent crusade on behalf of historiography Besides illuminating Stein's art and life the surrealist framework developed here brings readers deeper into those philosophical ideas invoked by war Topics of discussion emphasize how varied Jewish experiences were in Hitler's Europe how outliers like Stein can be included in the surrealist project surrealism's theoretical bind in the face of WWII and the age-old question of artistic legacy

The Letters of Gertrude Stein and Virgil Thomson Gertrude Stein, Virgil Thomson, 2010-02-11 Gertrude Stein Virgil Thomson are known as much for their formidable egos as for their contributions to 20th century arts This collection of roughly 400 letters from between 1926-1946 reveals the spark that existed between the two American masters over the course of their sometimes rocky always fascinating friendship
