Alpine Obituary:

The Alpine Journal, 1915 **Himalayan Dreaming** Will Steffen, 2010-07-01 How did climbers from the world's flattest hottest continent become world class Himalayan mountaineers the equal of any elite mountaineer from countries with long climbing traditions and home ranges that make Australia's highest summit look like a suburban hill This book tells the story of Australian mountaineering in the great ranges of Asia from the exploits of a brash young colonial with an early British Himalayan expedition in the 1920s to the coming of age of Australian climbers in the 1980s The story goes beyond the two remarkable Australian ascents of Mt Everest in 1984 and 1988 to explore the exploits of Australian climbers in the far flung corners of the high Himalaya Above all the book presents a glimpse into the lives the successes failures tragedies motivations fears conflicts humor and compassion themselves to the ultimate limits of survival in the most spectacular and demanding mountain arena of all [The Pioneers of the Alps](#) C. D. Cunningham, Sir William de Wiveleslie Abney, 1888

The Alpine Obituary Mary Daheim, 2007-12-18 SPECIAL EDITION MURDER Not even in Alpine Washington could the death of octogenarian Jack Froland be considered big news except by his drinking buddies at Mugs Ahoy But that suddenly changes when in the middle of the funeral Jack's widow hysterically insists that he was murdered Emma Lord publisher of *The Alpine Advocate* who is already investigating a threatening letter received by the town's beautiful blonde judge now suspects she has two hot stories to unravel Backed by her House and Home editor that bottomless repository of scandal Vida Runkel she prepares for a triple threat special murder blackmail and as wildfire sweeps the mountainside possible arson as well But success will not come cheap With a killer roaming the woods it may cost Emma her life READ ALL ABOUT IT *The Alpine Advocate* Novels by Mary Daheim *100 Most Popular Contemporary Mystery Authors* Bernard A. Drew, 2011-05-18 Provide your mystery fans with background information on their favorite writers and series characters and use this as a guide for adding contemporary titles to your collections This book examines 100 of today's top mystery novels and mystery authors hailing from countries such as the United States Great Britain France Italy South Africa and Australia Equally valuable to students writing research papers readers craving new authors or more information about their favorite authors and teachers seeking specific types of fiction to support curricula *100 Most Popular Contemporary Mystery Authors* Biographical Sketches and Bibliographies provides revealing information about today's best mysteries and authors without any spoilers Each of the accomplished writers included in this guide has established a broad audience and is recognized for work that is imaginative and innovative The rising stars of 21st century mystery will also be included as will authors who have won the Mystery Writers of America Grand Master Award **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in

which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
