## **Altar Coals:**

Altar Coals Zettalee D. Dennis, 2005-09-07 Altar Coals in the Bible were used for one of two purposes either to render judgment or for purging For me these poems have served as the altar coals toward these same purposes My intention is to share them and maybe they too will serve the reader in that capacity as well We are living in a time where it is fashionable to be openly sinful even among the churched It is all too common in today's modern lifestyle This practice is oftentimes accepted in the guise of love and is nearly always void of admonition or rebuke We are in desperate need of a wake up call to bring us into reality of how the night is far spent and the day is dawning The Lord is due to return soon and His people are distracted in their quest for pleasure or greed bound by sinful habits insensitive irresponsible and feigning obedience to God Remember that even the lukewarm are rejected along with those who are found to be cold Revelation 3 We need to be shaken from our fence sitting attitudes which is lukewarm unto all the truth of God that we can absorb It is now that we need to have our hearts set ablaze by the Holy Spirit to manifest the will of God first in our own lives and then outwardly reaching toward others When we get right with God He changes our hearts and there is an undeniable testimony that exudes from a life changed by the power of God It is His holiness and righteousness then revealed through us The days are growing darker and the latter rain will bring the Earth's harvest to a full ripening whether of that to righteousness and holiness or to unrighteousness and evil heartedness It is deception to think that there is a middle ground for in this war there are no neutrals This is the spirit of those who will overcome the wickedness prevalent in this last day They overcame him the dragon Satan by the blood of the Lamb and the word of their testimony and they loved not their lives unto the death Revelation 12:11

**The LORD's Service** Robert D. Macina, 2019-06-26 Worship in the Old Testament has been frequently misunderstood Its rites and ceremonies are often perceived as legalistic works that were required by an angry God to gain his favor or avert his wrath But is that really what the Bible teaches To be sure the LORD did institute the divine service in the Old Testament with all of its laws rites and ceremonies Yet did God do this in order to be appeased or pleased by the ancient Israelites When the priests enacted the offerings and sacrifices at the sanctuary was it merely to do good works that God required but without meaning or purpose for his people Was worship in the Old Testament always what the people did for the LORD or did God do anything that was beneficial to the Israelites This book answers these questions and furthermore dispels the recurring misinterpretation of worship in the Old Testament The LORD established the divine service in the Pentateuch not to receive what he demanded from the people of ancient Israel but on the contrary to cleanse them from their sinful impurities sanctify them to share in his holiness and dwell among them with his blessing

**The Development of Incense Cult in Israel** Paul Heger, 2011-11-21 The series Beihefte zur Zeitschrift für die alttestamentliche Wissenschaft BZAW covers all areas of research into the Old Testament focusing on the Hebrew Bible its early and later forms in Ancient Judaism as well as its branching into many neighboring cultures of the Ancient Near East and the Greco Roman world *Priesthood and Temple*

*in John's Apocalypse* Timothy B. Tse, 2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible s descriptions of YHWH s dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb s war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church s experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality
