Thomas,2002 Disappointment with conventional healthcare has led to an unprecedented interest in natural alternatives At  
the same time holistic medicine and therapies have aggressively marketed themselves as safe and effective and most of the  
time this is the case But enthusiasm for alternatives is not always justified not every therapy can cure every ill not every  
supplement enhances health Alternative healthcare is big business The opportunity for individuals to take greater control of  
their health has given scope to every kind of company to manufacture promote and sell natural therapies and medicines Pat  
Thomas is passionate about the concept of alternative healthcare but she is equally passionate about getting to the truth and  
will not hesitate to criticise where appropriate in order to give the consumer a real choice Written from the point of view that  
choice without information is no choice at all it is first and foremost a consumer publication and will become the bible of
