Creating Equitable Classrooms Through Action Research Cathy Caro-Bruce,2007-08 Recognizing the importance of race class gender culture and ability the authors provide a window into the difficulties that professional educators grapple with as they face the challenge of teaching all children This text is both authentic and practical and it demystifies the issues of equity that pervade today s classrooms Diane Yendol Hoppey Associate ProfessorUniversity of Florida Gainesville Action research of this caliber on the subject of equity is critically needed for all children to have access to the same level of rigor and high standards This is a must read for districts that really want to turn action research into action that affects student learning Terry Morganti Fisher Director of Professional DevelopmentAustin Independent School District TX Utilize the power of action research to narrow the achievement gap Despite the best intentions of reform efforts educational inequity continues to exist in public schools Creating Equitable Classrooms Through Action Research confronts this challenge head on and shows educators how they can use action research to both raise student achievement and strengthen instructional leadership Ideal for both a first time action research endeavor or one already in progress this practical guidebook helps practitioners formulate specific research questions collect and analyze data and communicate their findings Educators will discover Ten action research studies on narrowing the achievement gap Guidelines for implementing an action research project that supports culturally relevant instruction Authentic examples for discussion and reflection Invaluable for school district leaders teachers professional development schools and preservice teachers this resource for systemwide improvement efforts helps schools provide more equitable learning environments for all children **Peaceprints:** Evelyn McLean Brady,2008-10 The Interfaith Peace Network of Western New York chose to commission this book to remember Sister Karen Klimczak SSJ

Buffalo's beloved champion of nonviolence who dedicated her life to providing sanctuary and hope for ex-offenders and was killed on Good Friday in 2006 by one of the men she served. Sister Karen would not want this memory keeper to focus on her. She lived as one with the community she served and that would be the context in which she would want to be remembered. The book is divided into two parts. Part I provides an overview of Sister Karen's life and prison ministry. It introduces the major themes of mysticism, nonviolence, forgiveness, redemption, charity, and respect that governed her life. In Part II, the community writings explore these themes. At the end of this book, reflection and discussion questions will provide opportunities for readers individually or in groups to explore the themes.

*Stronger Than Ever* is a practical guide for applying biblical truths to real life. Personal problems and tragedies can upset happiness and hinder successful living, but a life of faith, love, and hope enables you to persevere and grow stronger, overcome adversity, and become a blessing to others in need. Readers will discover the life that Jesus Christ wants for them: a life of strength, victory, and ultimately eternal bliss. In this book, the reader will find how to develop the power of loving like Jesus: the ABCs of resolving guilt biblically, what to do when it really isn't your fault.
