Children First:

The Development of Child Protection Law and Policy Kieran Walsh, 2020-04-02 This book examines how child protection law has been shaped by the transition to late modernity and how it copes with the ever changing concept of risk The book traces the evolution of the contemporary child protection system through historical changes assessing the factors that have influenced the development of legal responses to abuse over a 130 year period It does so by focussing on the Republic of Ireland where child protection has become emblematic of wider social change The work draws on a wide range of primary and secondary sources including legislation case law and official and media reports of child protection inquiries It also utilises insights developed through an extensive examination of parliamentary debates on child protection matters These materials are assessed through the lens of critical discourse analysis to explore the relationship between law social policy and social theory as they effect child protection While the book utilises primarily Irish sources this multidisciplinary approach ensures the argument has international applicability The book will be a valuable resource for all those with an interest in the development of child protection law

Youth Offending in Context Stephen Case, 2025-04-08 Identifying and exploring the challenges in understanding and responding to youth crime this book investigates the different contexts which contribute to youth offending as well as those which either help or hinder effective youth justice responses to it Supporting readers to evaluate traditional understandings and responses to youth offending this critical evidence based text engages with a variety of international case studies practice examples and expert perspectives from academic researchers in the field Delving into theoretical conceptual empirical policy and practice issues Youth Offending in Context will be of great value to students of youth justice youth offending youth crime crime prevention and criminal justice

Crime, Justice and COVID-19 Christopher Kay, Stephen Case, 2023-05-31 Academics and students undergraduate and postgraduate with an interest in issues of crime and justice It will also be relevant to related fields such as sociology social policy social work psychology politics and youth studies
