

Another Chapter Of Life

**The year has come to an end.
So many things have happened,
Somethings bad and others good,
But it's alright, that's how
Every chapter of a book is.**

**Every chapter of a book
Has ups and downs in its writings
And I'll probably say that's
How human life is in
Its day to day basis.**

**We are about to write
Our new chapter of life
Containing 365 pages,
But how are we going to write it?
Will it be romantic or sentimental?**

**We all know the pages of
Last year's life chapter by heart
But we don't really know
How this new chapter will begin.
Another chapter of life is about to start.**

**How should I start it?
A book that will attract others,
That will inspire many
Is the one I should write.
Alas! I'll start with - Happy New Year.**
