Autobiography of Charles G. Finney: A Lifetime of Evangelical Preaching to Christians Across America, Revealed Charles G. Finney, 2026-02-22 From the bustling revival tents of 19th century America emerges one of the most extraordinary spiritual journeys ever recorded Charles Grandison Finney transformed from a skeptical young lawyer into the most powerful evangelical preacher of his generation igniting religious awakening across the American frontier His autobiography reveals the dramatic moment when divine calling shattered his worldly ambitions and launched him into a ministry that would reshape the spiritual landscape of an entire nation This is not merely the story of one man's faith but the electrifying account of how a single individual's conversion sparked revival fires that burned from New York to Ohio and beyond Finney pulls back the curtain on the raw unvarnished reality of frontier evangelism where souls hung in the balance and entire communities wrestled with eternal questions His vivid recollections transport readers into packed meeting halls where the air crackled with spiritual intensity skeptics fell to their knees in surrender and hardened hearts melted under the weight of divine conviction Through intimate personal struggles theological controversies and triumphant spiritual victories Finney chronicles his revolutionary approach to preaching that emphasized personal responsibility and immediate decision His innovative revival methods often criticized by traditional clergy proved devastatingly effective in reaching common people hungry for authentic spiritual experience This powerful memoir offers modern readers an unfiltered glimpse into the evangelical movement that shaped American Christianity Finney's candid reflections on doubt faith and spiritual warfare provide timeless insights for anyone seeking deeper meaning or struggling with questions of purpose His pioneering techniques in persuasion and public speaking remain relevant for ministers speakers and leaders today More than a historical document this autobiography serves as a masterclass in conviction courage and the transformative power of unwavering faith to change both individual lives and entire communities

Finney** Finney, Charles G., Charles Finney was originally pursuing a career in law He found Christ when researching the Bible to better understand law He gave his life to the cause of Christ and became one of the greatest advocates for the Christian church He devoted his life to telling others about Christ He was the first evangelist to make a public invitation to

his congregations and he thought it very necessary for people to make concrete decisions for Christ and to be counseled either as a new convert or a seasoned Christian His sermons were so powerful that they started many revivals throughout the Northeastern United States and many lives were changed In this gripping tale you will see how God used this man to argue His case

Memoirs of Rev. Charles G. Finney Charles G. Finney, 1903 **George F. Wright** George Wright, Charles Finney, Revival Press, 2017-07-10

In the evening he had the office to himself and after building a fire in the open fireplace he retired to the back room to renew the devotions which in the earlier part of the day he had commenced at his familiar haunt in the forest Here it seemed to him that he had a vision of the Lord and that Christ met him face to face So complete was the illusion that it was some time before it was dispelled It seemed to him he says that he saw Christ as he would see any other man and that beneath his benignant gaze he was melted to tears and he wept aloud like a child On being aroused from this rapt vision he returned to his seat by the fireplace in the main room of the office and as he sat down by the fire he received what he describes as a mighty baptism of the Holy Ghost This was an experience for which he was not looking and of which he did not remember ever to have heard before It seemed to him as if there was a positive force like electricity entering and penetrating his whole system He wept aloud with joy and love and to use his own words literally bellowed out the unutterable gushings of his heart So overwhelming were these waves of feeling that he cried out Lord I cannot bear any more I shall die if these continue This train of experiences was interrupted late in the evening by a visit from a member of the choir who was alarmed at Finney s loud weeping and supposed that he was suffering from pain but was somewhat confused at Finney s reply that he was not in pain but so happy that he could not live Notwithstanding this exalted experience and these transports of joy Finney retired to his bed without definite assurance in his own mind that his sins had been forgiven or that he had been fully accepted by God and he passed a nearly sleepless night But when he arose in the morning and the sun was pouring its clear rays into his room these became to him an emblem of the brighter light that had arisen upon his soul and there was a repetition of the scene of the previous evening He wept aloud for joy and in this second baptism received a gentle reproof for having doubted the readiness of God to have mercy upon him He now saw that the sweet relief from condemnation which had come to his mind at the supreme moment of decision upon the previous forenoon was closely connected with the divine act of justification and that the peace which he had since enjoyed was that which God had provided for sinners through the gracious sufferings of Christ He felt that his sins were blotted out from God s book of remembrance and that by a divine act his guilt had been removed
