Sebastian Faulks

Charlotte Gray:

Charlotte Gray Sebastian Faulks, 2014-09-03 Faulks's first novel since the extraordinary success of *Birdsong* is written with the same passion, power and breadth of vision. Set in England and France during the darkest days of World War II, *Charlotte Gray* like *Birdsong* depicts a complex love affair that is both shaped and thwarted by war. It is 1942, London is blacked out but France is under a greater darkness as the occupying Nazi forces encroach ever closer in a tense waiting game. *Charlotte Gray*, a volatile but determined young woman, travels south from Edinburgh. Working in London, she has a brief but intense love affair with an RAF pilot. When his plane is lost over France, she contrives to go there herself to work in the Resistance and to search for him, but then is unwilling to leave as she finds that the struggle for the country's fate is intimately linked to her own battle to take control of her life. Faulks's novel is an examination of lost paradises, politics without belief, the limits of memory, the redemptive power of art and the existence of hope beyond reason. It is also a brilliant evocation of life in Occupied France and more significantly a revelation of the appalling price many Frenchmen paid to survive in unoccupied, so-called Free France. As the men, women and children of Charlotte's small town prepare to meet their terrible destiny, the truth of what took place in wartime France is finally exposed. When private lives and public events fatally collide, the roots of the characters' lives are torn up and exposed. These harrowing scenes are presented with the passion and narrative force that readers will recall from *Birdsong*. *Charlotte Gray* will attract even more readers to Faulks's remarkable fiction.

Looking-Glass Wars: Spies on British Screens since 1960 Alan Burton, 2018-01-31 *Looking Glass Wars: Spies on British Screens since 1960* is a detailed historical and critical overview of espionage in British film and television in the important period since 1960. From that date, the British spy screen was transformed under the influence of the tremendous success of James Bond in the cinema, the spy thriller and of the new style spy writing of John le Carr and Len Deighton, the espionage story. In the 1960s, there developed a popular cycle of spy thrillers in the cinema and on television. The new study looks in detail at the cycle which in previous work has been largely neglected in favour of the James Bond films. The study also brings new attention to espionage on British television and popular secret agent series such as *Spy Trap*, *Quiller* and *The Sandbaggers*. It also gives attention to the more realistic representation of spying in the film and television adaptations of le Carr and Deighton and other dramas with a more serious intent. In addition, there is wholly original attention given to nostalgic spy fictions on screen, adaptations of classic stories of espionage which were popular in the late 1970s and through the 1980s and to historical spy fiction dramas which treated real cases of espionage and their characters, most notably the notorious Cambridge Spies. Detailed attention is also given to the secret state thriller, a cycle of paranoid screen dramas in the 1980s which portrayed the intelligence services in a conspiratorial light, best understood as a reaction to excessive official secrecy and anxieties about an unregulated security service. The study is brought up to date with an examination of screen espionage in Britain since the end of the Cold War. The approach is empirical and historical. The study examines the

production and reception literary and historical contexts of the films and dramas It is the first detailed overview of the British spy screen in its crucial period since the 1960s and provides fresh attention to spy films series and serials never previously considered **Wallace's Monthly** ,1876 Your Family Tree David Starr Jordan,Sarah Louise Kimball,1929 The American Herd Book Lewis Falley Allen,1881 To which is prefixed a concise history of English and American Short horns compiled from the best authorities Report of State Officers, Board and Committees to the General Assembly of the State of South Carolina South Carolina.
