Code Community And Ministry:

The Laity as Participants in the Mission of the Church Humphrey C. Anameje, 2017-06-05 The church is made up of both the clergy and the laity And for it to properly fulfill the mission for which it was instituted by Christ all its members each according to his or her God given gift must contribute both to the upbuilding of the church and to its mission On the part of the laity their active participation in the general mission of the church ad intra and ad extra has been a great challenge in the life and practice of the church throughout its history The Second Vatican Council in its spirit of aggiornamento makes some positive difference This work critically examines the conciliar documents some relevant postconciliar documents and theological reflection of some theologians And finally it proffers solutions that will enhance the active participation of the laity in the mission of the church in general and the church in Southeast Nigeria in particular **Laity's Mission in the Local Church** Leonard Doohan, 2016-09-10 *The Emerging Diaconate* William T. Courageous Humility Ditewig, William T., 2022 Courageous humility is a humility that takes risks investing the talents and strengths God has given us for the good of others The reflections revolve around that call Be strong and courageous Chapter One grounds the project in the Trinity the core dogma of the Church From the earliest days of the Church humility has been seen as the heart of Christian communal life so Chapter Two examines the classic insights on humility from St

Benedict and his groundbreaking Rule Humility should be the foundation of all the various external structures we create to support our mission of evangelization Chapter Three offers some suggestions on ecclesial structural reform Building on these foundational chapters the succeeding chapters focus on the diaconate within this context of ecclesial humility Chapter Four discusses the sacramentality of the diaconate Chapter Five suggests revisions to the Code of Canon Law vis vis the diaconate and Chapter Six recommends developments in the liturgy of diaconal ordination Chapter Seven responds to some of the recurring issues of the diaconate and Chapter Eight discusses how the Church may tap the full potential of the renewed diaconate
