## **Character And Scripture:**

**Bible Characters - Vol. 1-6** Alexander Whyte, 2011 Alexander Whyte's well researched collection of Bible biographies has been of indispensable use to pastors, study group leaders and students of the scriptures for over 100 years. It is the most comprehensive and most well respected source of material for understanding the characters involved in the events of the Bible ever published. This is indeed the best exposition on Biblical characters ever written. Alexander Whyte reveals insights into the lives of the people of the Bible that casual readers might never find. Then he powerfully applies truths revealed in such a way that the reader is left spiritually convicted and seeking God's mercy. The complete edition contains nearly 150 in depth character studies from Genesis to Revelation. This edition is completely linked with a working table of contents for ease of navigation and study. This is the ULTIMATE Bible character study e-book. Through the scriptures you meet the people of the Bible. But through Alexander Whyte you will come to know them better. Next to the Bible you will find Bible Characters the greatest help in understanding the men and women in God's Word. Whyte writes brief biographies faithful to the Biblical text. Without stretching the truth he stretches our minds to embrace the character of the individuals revealed there. He is never superficial. He writes like a modern newspaperman in terms of human interest and deep insight. It's just as though he had interviewed an individual and returned to the newspaper office to write up the feature. The reader of these works will not be disappointed as they will walk away with a deeper and greater understanding of those men and women God used in His Word as examples for us all.

Great Characters of the Bible Alan B. Stringfellow, 2014-05-05 How God Used Ordinary People to Accomplish Extraordinary Tasks. God chose to teach His spiritual principles through the successes and failures of His people. Great Characters of the Bible is a 52 lesson study of 61 Bible characters who were not all that different from us. They experienced struggles, heartaches, successes and failures. They battled fear, doubt and worry. But they also give testimony to God's mighty hand moving through the ages, establishing His will through the lives of people like you and me. Standing beside these men and women of the Bible will help you walk closer with God who included their stories in His Word especially to teach you to inspire you and to guide and instruct you. As you share in their victories and defeats you'll discover how each person was selected by God to fulfill a purpose. By studying them you will see how the Holy Spirit equips and empowers you for greater service.

Reading Christian Scriptures in China Chloe Starr, 2008-04-02 This volume sets out to examine how Christian scriptures have been read within a Chinese reading tradition and to assess what questions such readings pose for both theologians and Chinese studies specialists. The absence to date of publications on the topic and the scattered nature of such research and of scholars in the field makes this an important contribution to debate. The volume gathers essays from Biblical studies experts together with theologians and Chinese text scholars to discuss the interdisciplinary questions raised. Essays from mainland Taiwanese and diasporic Chinese scholars ensure that a range of opinions including those reflecting fault lines between academic and confessional positions are presented. Within the four

sections of the volume several papers discuss and correct the current lineage of historical readings while others study the historical impact of the Bible in Chinese society Four essays give contextual or cross cultural readings with a focus on individual exegetes mainly from the early twentieth century The power of performance is raised in two essays one comparative paper on Christian and Buddhist scriptures from the Qing dynasty and one on the singing of psalms in modern day Taiwan and Macao Moral questions preoccupy others including the challenges that early Chinese converts found in Biblical laws or Christian guidance on concubinage and extrinsic readings of the Sermon on the Mount
