Chasing October:

Willie Mays James S. Hirsch, 2010-04-03 The New York Times bestselling authorized enormously entertaining and wide ranging The Seattle Times biography of the late great Willie Mays Willie Mays 1931 2024 was arguably the greatest player in baseball history revered for the passion he brought to the game He began as a teenager in the Negro Leagues became a cult hero in New York and was the headliner in Major League Baseball's bold expansion to California He was a blend of power speed and stylistic bravado that enraptured fans for more than two decades Author James Hirsch reveals the man behind the player Mays was a transcendent figure who received standing ovations in enemy stadiums and who during the turbulent civil rights era urged understanding and reconciliation More than his records his legacy is defined by the pure joy that he brought to fans and the loving memories that have been passed to future generations so they might know the magic and beauty of the game With meticulous research and drawing on interviews with Mays himself as well as with close friends family and teammates Hirsch presents a brilliant portrait of one of America's most significant cultural icons

Spitter David Vaught, 2022-11-17 Finalist for the 2023 CASEY Award Gaylord Jackson Perry was born in 1938 as the younger son of a tobacco sharecropper in Martin County North Carolina He and his older brother Jim grew up against a background of backbreaking work six days a week in a community that boasted not a single paved road until the 1950s Their only relaxation was playing baseball first with their father and later at school While both brothers would go on to succeed as pitchers in major league baseball for Gaylord success would require a lot of perseverance and an almost equal amount of subterfuge After a couple of lackluster seasons with the San Francisco Giants he learned from bullpen mate Bob Shaw how to throw the illegal spitball More importantly he learned to control the tricky pitch and to conceal it from suspicious umpires opposing managers and baffled batters When he finally broke out the spitter in a victory by attrition in a marathon 32 inning nine hour doubleheader against the Mets in May 1964 his destiny was set The Hall of Famer would go on to a 314 265 win loss record with a 3 11 earned run average and 3 534 career strikeouts becoming the first pitcher in major league history to win the Cy Young Award in both leagues Sports historian David Vaught has mined archival and public records game statistics media accounts and previously published works including Perry's 1974 autobiography to compile the first critical biography of a player as famous for his wry humor and downhome banter as for his trademark illegal pitch Written for baseball fans and American sports historians *Spitter Baseball's Notorious Gaylord Perry* provides new insights and genuine enjoyment of the game for a wide range of readers

The Fight of Their Lives John Rosengren, 2014-02-18 One Sunday afternoon in August 1965 on a day when baseball's most storied rivals the Giants and Dodgers vied for the pennant the national pastime reflected the tensions in society and nearly sullied two men forever Juan Marichal a Dominican anxious about his family's safety during the civil war back home and John Roseboro a black man living in South Central L A shaken by the Watts riots a week earlier attacked one another in a moment immortalized by an iconic photo Marichal's bat poised to strike Roseboro's head The

violent moment uncharacteristic of either man linked the two forever and haunted both Much like John Feinstein s *The Punch* *The Fight of Their Lives* examines the incident in its context and aftermath only in this story the two men eventually reconcile and become friends making theirs an unforgettable tale of forgiveness and redemption The book also explores American culture and the racial prejudices against blacks and Latinos both men faced and surmounted As two of the premiere ballplayers of their generation they realized they had more to unite them than keep them apart *The Fifth Regiment, Connecticut Volunteers* Edwin E. Marvin,1889 **The Lutheran** George Washington Sandt,1926 *Danger, Development and Legitimacy in East Asian Maritime Politics* Christian Wirth,2017-11-15 Grounded in extensive empirical research *Danger Development and Legitimacy in East Asian Maritime Politics* addresses the major issues of geopolitics in the region that have been and will continue to shape the international politics of the Asia Pacific for years to come Covering the nation states of China Japan and South Korea it includes an examination of the key island disputes as well as analysis of the North Korea South Korea clashes in the Yellow Sea controversies in Japan s relations with both Koreas and the so called history disputes including recognition of World War II atrocities across the region In doing so this book explores a range of themes from the ecological environment to the globalized nature of shipping and therein links the East Asian maritime sphere directly to the dynamics and developments in the domestic politics of each country Thus it serves to demonstrate how several controversial debates in the international politics of the Asia Pacific are ultimately and inextricably intertwined A timely contribution that furthers our understanding of contemporary politics of the Asia Pacific this book will be of great interest to students and scholars of Asian politics international relations and the Asia Pacific region in general *Frick** John P. Carvalho,2016-11-23 Ford Frick is best known as the baseball commissioner who put the asterisk next to Roger Maris s record But his tenure as commissioner carried the game through pivotal changes television continued integration West Coast expansion and labor unrest During those 14 years and 17 more as National League president he witnessed baseball history from the perspective of a man who began as a sportswriter This biography of Frick whose tenure sparked lively debate about the commissioner s role provides a detailed narrative of his career and the events and characters of mid 20th century baseball **Yearbook** Virginia.
