Chasing A Rogue:

Chasing a Rogue Victoria Malvey,2002-11-01 Bringing together the beloved characters from her enchanting romance A Merry Chase Victoria Malvey spins a charming Regency tale of a woman s pursuit of the most elusive quarry of all true love Harriet Nash longs for marital bliss and the dashing Steven Morris Earl of Heath seems the ideal candidate in every way Following her theory that catching the perfect mate is like a fox hunt Harriet sets out to snare a husband But Steven proves a difficult catch evading all her artful traps with ease Undaunted Harriet devises a new plan to convince Steven that she ll help him catch a wife if he helps her find a suitable husband With empty family coffers demanding that he marry a wealthy heiress Steven must resist his growing desire for Harriet When she approaches him with her plan he eagerly agrees hoping that time spent with Harriet will cure him of his fascination never suspecting that their secret scheming would soon turn into a very public passion

Rogue's Paradise: An Adult Fantasy Romance Jeffe Kennedy,2022-08-16 Faerie the land of blood magic and betrayal At last the fae lord Rogue has won everything He has me in his home his bed and I m desperately in love with him despite my best efforts and better judgment Did I mention I m pregnant As our child grows inside me the one I m pledged to give to him I still have no idea what will happen after the birth Though Rogue is attentive in every way a woman could wish for bringing me delirious pleasure and gifts beyond price he still won t or can t tell me what game he s playing Or what the viciously sadistic Queen Titania has to do with our many bargains I m most afraid that if he betrays us I ll never be able to forgive him Even though I can t stop loving him As war threatens everything we ve built as my body swells with the enchanted pregnancy I become more certain with every day that the true enemy lurks within our castle walls And that the man I ve vowed eternal commitment to may be the last person I can trust

Gallows Bridge Caroline Peckham,Susanne Valenti,2026-02-14 Every story comes to an end eventually Maybe ours was never meant to have a happy ending I was back in my hometown at last surrounded by the boys I ve loved for my entire life and I d finally had everything I d ever wanted But fate never was kind to this dead girl and we aren t done fighting to claim our happily ever after This might not be a fairy tale but I swear on all I am that I ll defeat the villain of our story before it s done The only question left to answer is whether or not we ll all live to see him die I ll do whatever it takes to get revenge for everything Shawn has taken from us and claim the ending we deserve But it s gonna be one hell of a ride to get there This is the final book in the Harlequin Crew series Beware of dark themes devious villains and beautiful men with blackened souls This series is part of the United States of Anarchy

I thought that I was broken before but my damage never tasted as bitter as this The Harlequin boys are more than just a memory now More than a daydream of our youth and an idea to cling onto They're my greatest weakness and my biggest regret but I've started to realise that coming back to Sunset Cove was always my fate My heart beats to the turn of the tide here My skin only warms beneath this sun And my soul will only ever be home on these streets and with the men who grew out of my memories But nothing is the same as I remember and the time for childish games is coming to an end I may want to pretend that the last ten years never happened but the nightmare I lost myself in has followed me home and I can't keep ignoring the things I once did to survive The question is will my mistakes be the end of me and my boys Will the choices I made then change everything now And will the life I never wanted steal away my only chance at the life I'm afraid to wish for This is an enemies to lovers contemporary series where the girl will end up with multiple love interests and all of the characters are in their late twenties
