Cold Dread:

Cold Dread Barbara Siegel, 1992 The Dread's Face Mariana Padilla, 2025-06-12 The Dread's Face is a chilling and profoundly atmospheric anthology that plunges into the depths of human fear transforming abstract terror into a tangible haunting presence This collection of interconnected tales explores the insidious nature of dread the power of ancestral memory and the enduring courage required to confront the specters that lurk within and without The book introduces Elara a woman hardened by grief who finds herself a prisoner of The Fear a sentient entity that manifests as a shifting whispering dread This isn't a simple emotion but an active malevolent force that has stolen her family and twisted her nightmares into waking horrors feeding on her despair Her desperate quest leads her to a desolate isle aptly named The Fear's End the last scrap of land before an abyssal maw Here Elara learns the rhythm of her tormentor discovering that courage nurtured not by absence of fear but by a stubborn ember of hope is its ultimate weakness Her journey is a harrowing dance with despair as she navigates a landscape where shadows hold fragments of lost memories and silence is punctuated by the echoes of broken promises The tales interweave with the chilling narrative of Elias a man drawn to Blackwood Manor a place where architectural decay is merely a facade for a deeper more unsettling malady The manor defies physics its rooms shifting its very essence permeated by a pervasive silent dread Elias's investigation uncovers a hidden chamber and a tarnished silver locket revealing a vision of a weeping woman his own ancestor and the horrifying truth the house is not merely haunted but remembering The Dread's Face is the collective anguish of Blackwood's legacy a spectral burden inherited through generations This is a story of internal landscapes made terrifyingly real where the true monsters are often reflections of our deepest sorrows and inherited burdens It is a testament to the resilience of the human spirit a chilling reminder that the faces of dread are myriad but so too is the strength to confront them leaving readers to ponder the echoes of memory and the pervasive nature of fear long after the final page is turned

Play For Me Tam DeRudder Jackson, 2021-07-19 Jack When I made my deal with the devil I thought I was on my way to my rock n roll dream Too bad I didn't read the fine print Having it all meant giving up the only girl I knew I'd ever love Five years later I'm drumming in the hottest rock band in the country but I live like a monk Fate hands me an opportunity to reconnect with my perfect girl giving me one glorious night with Clio Barnes Our chemistry is off the charts Too bad fate plays by her own rules When Clio hears my bandmate's idea of a joke she believes I've used her dissolved our love into a one night stand and she blows out of my life When our tour ends I'm determined to find her again no matter how well she hides from me Clio All my life I've been invisible For a brief moment five years ago Jack Whitehorse saw me And he made me feel like the center of his universe But that was an illusion Music was Jack's only love A chance encounter after a Balefire concert allows us to reconnect but once again I'm playing second fiddle to his rock n roll muse When the pregnancy test comes back positive I decide to keep our baby secret I can't force Jack to play for me I wouldn't want to Then he shows up unexpectedly one day knocking on my door and demanding to be let in He

leaves me no choice but to tell him about the baby Turns out I wasn't the only one with a secret But the one he's been keeping might end us for good
