Today, Johan invited me for a walk outside.  
We watched the cherry blossom in the garden.  
For the entire time, my heart was pounding.  
Then, he suddenly embraced me!  
Uwah! I was so embarrassed that time!

**Poems from Cold Spring, a Diary** Tom Clark,2000      **Cold Spring** Tom Clark,2000 Poetry Illustrations Tom Clark author of the novel HEARTBREAK HOTEL expands upon his poetic foundation with COLD SPRING a collection of ink drawings and chronologically arranged poems whose bare phrases conjure vivid images even in their simplicity It is a poetic diary of sorts which chronicles the events of a month and Clark s impressions of quotidian life are drawn and written with a keen sense of detail perfectly capturing winter s dark allure      The Detransition Diaries Jennifer Lahl,Kallie Fell,2024-02-23 We live in unprecedented times when what was known for thousands of years that we are created male and female is now up for debate It is now controversial to see that sex is binary that a man can never become a woman nor a woman a man and that men should not enter women s sports women s bathrooms and women s prisons merely for saying that they are a woman We are witnessing a rapid rise in gender confusion among young people especially among young women and girls The Detransition Diaries is both personal and historical It is personal in that it recounts the stories of five women and two men who felt they were born in the wrong body and believed the lie they were told by peers teachers and medical professionals that they could be their true selves by medically and surgically altering their bodies to match the opposite sex Their stories describe the short and long term harm that so called gender affirmative medicine did to their mental and physical health The book is historical because it outlines the history of the gender affirmation movement including the various individuals and organizations who have peddled the idea that the sexual binary is arbitrary The book closes with an analysis on how this dark chapter in medical abuse might end and what is needed for medicine to regain its obligation to do no harm      **Diary of Rev.
