Cauldron of the Gods Jan Fries,2005 Imagine the forest As darkness falls the somber beeches disappear in misty twilight and shadows seem to gather under their branches Far away the blackbird s call tells of the coming of the night The birds cease their singing silence descends soon the beasts of the night will make their appearance Between tangled roots hidden by nettles and brambles the earth seems to ripple A few humps of earth seem to emerge from the ground They are the last traces of burial mounds of mounds which were tall and high 2500 years ago Many of them have disappeared hidden by tangled roots of beech and oak ploughed flat by careless farmers others again show caved in tops where grave robbers have looted the central chamber The locals shun these hills There are tales that strange fires can be seen glowing on the mounds and that on spooky nights great armed warriors arise from their resting places Then the doors to the deep are thrown open and unwary travelers have to beware of being invited into the halls of the dead and unborn Here the kings of the deep feast and celebrate time passes differently and strange treasures may be found Who knows the nights when the gates are open Who carries the primrose the wish flower the strange blossom that opens the doors to the hollow hills Brigid Brian

Wright,2011-10-21 Brigid of Kildare Ireland is uniquely venerated as both a goddess and a saint throughout Ireland Europe and the USA Often referred to as Mary of the Gael and considered the second most important saint in Ireland after St Patrick her widespread popularity has led to the creation of more traditional activities than any other saint some of which survive to this day As a result of original historical and archaeological research Brian Wright provides a fascinating insight into this unique and mysterious figure This book uncovers for the first time when and by whom the goddess was conceived and evidence that St Brigid was a real person It also explains how she became a saint her historical links with the unification of Ireland under a High King in the first century and discusses in depth her first documented visit to England in AD 488 Today Brigid remains strongly connected with the fertility of crops animals and humans and is celebrated throughout the world via the continuation of customs ceremonies and relics with origins dating back to pre Christian times Using a combination of early Celtic history archaeology tradition and folklore from Ireland Britain and other countries this comprehensive study unravels the mystery of a goddess and saint previously complicated by the passage of time *On the Forms of Betrothal and Wedding Ceremonies in the Old-French Romans D'aventure ...* Frank Linley Critchlow,1903
