Contemporary Writing Jim Wayne Corder, 1979 *Writing Studies Research in Practice* Lee Nickoson, Mary P Sheridan, 2012-09-10 An essential reference for students and scholars exploring the methods and methodologies of writing research What does it mean to research writing today What are the practical and theoretical issues researchers face when approaching writing as they do What are the gains or limitations of applying particular methods and what might researchers be overlooking These questions and more are answered by the writing research field s leading scholars in Writing Studies Research in Practice Methods and Methodologies Editors Nickoson and Sheridan gather twenty chapters from leaders in writing research spanning topics from ethical considerations for researchers quantitative methods and activity analysis to interviewing and communitybased and Internet research While each chapter addresses a different subject the volume as a whole covers the range of methodologies technologies and approaches both old and new that writing researchers use and examines the ways in which contemporary writing research is understood practiced and represented An essential reference for experienced researchers and an invaluable tool to help novices understand research methods and methodologies Writing Studies Research in Practice includes established methods and knowledge while addressing the contemporary issues interests and concerns faced by writing researchers today **String teaching in 21st Century: Bridges between research and practice** Clarissa Foletto , Jorge Alves , Dora de Queiroz , 2021-01-01 The 48th International ESTA Conference

marked the first Online conference in the history of ESTA The conference theme Bridges between research and practice encouraged the teachers students and researchers of the ESTA family and abroad to reflect and discuss String teaching in 21st Century The 21 articles published in this book show how we can join forces to create develop and disseminate our collective knowledge and experience about string teaching We hope that this book can be a contribution by ESTA Portugal to this field and an attempt to fill the gap between research and practice Full access <https://doi.org/10.26537/eipp.75> Essays on Classical Rhetoric and Modern Discourse Robert J. Connors, Lisa S. Ede, Andrea A. Lunsford, 1984 Eighteen essays by leading scholars in English speech communication education and philosophy explore the vitality of the classical rhetorical tradition and its influence on both contemporary discourse studies and the teaching of writing Some of the essays investigate the rhetorical and historical issues Others show the bearing of classical rhetoric on contemporary problems in composition thus blending theory and practice Common to the varied approaches and viewpoints expressed in this volume is one central theme the 20th century revival of rhetoric entails a recovery of the classical tradition with its marriage of a rich and fully articulated theory with an equally efficacious practice A preface demonstrates the contribution of Edward P J Corbett to the 20th century revival and a last chapter includes a bibliography of his works **Contemporary writing** JIM. W. CORDER, 1983 **A Handbook of Modern Rhetorical Terms** Linda Woodson, 1979 *Which Degree Guide*, 2001

Modern Chinese Literary Thought Kirk A. Denton, 1996 This volume presents a broad range of writings on modern Chinese literature Of the fifty five essays included forty seven are translated here for the first time including two essays by Lu Xun In addition the editor has provided an extensive general introduction and shorter introductions to the five parts of the book historical background a synthesis of current scholarship on modern views of Chinese literature and an original thesis on the complex formation of Chinese literary modernity The collection reflects both the mainstream Marxist interpretation of the literary values of modern China and the marginalized views proscribed at one time or another by the leftist canon It offers a full spectrum of modern Chinese perceptions of fundamental literary issues Selected Essays of Jim W. Corder Jim Wayne Corder, 2004 Writing with Contemp Readings EMC/Paradigm Publishing, 2000 *Moral Rights, Creativity, and Copyright Law* Sarah Hook, 2023-12-29 This book argues that moral rights provisions in copyright law rest on a misunderstanding or romanticisation of the role of the author The Romantic conception of authorship as a lone genius creating from nothing sensitive and vulnerable has helped publishers push for strong copyright reform But is this conception borne out in practice especially in a world of meme culture of artificial intelligence generated art and poetry and of open source and fan fiction This book probes the romantic vignette of the author through its legal adoption Moral rights are rights that attach to the non economic for example intellectual or emotional interests of an author in their work Much like defamation moral rights see the right of reputation as superior to the right of freedom of expression However unlike defamation moral rights are not protecting against defamatory actions against a person In most jurisdictions they are provisions set within copyright regimes

regimes whose purpose is to incentivise innovation Challenging the way we think about authorship and how it should be protected by law the book draws on a wide range of historical and contemporary examples to demonstrate how moral rights can constitute a barrier to transformative creativity While authors and artists require strong rights to protect their ability to earn an income and incentivise creativity moral rights the book argues may in turn actually harm their ability to do so This timely criticism of moral rights will appeal to researchers students policy makers and lawyers working in the area of intellectual property law as well as legal theorists sociolegal scholars and legal historians with relevant interests *Which Degree Directory Series* ,2000 *Documents of the School Committee of the City of Boston* Boston (Mass.). School Committee,1927 **The Massachusetts register** ,2003 **WPA, Writing Program Administration** ,1996 "Code of Massachusetts regulations, 2009" ,2009 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 "Code of Massachusetts regulations, 2005" ,2005 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020
