**Elizabeth Connell**

## **Contraception Sourcebook:**

*The Contraception Sourcebook* Elizabeth Connell,2001-12-04 Human kind has been searching for the ideal contraceptive since the beginning of time The objective was and still is to find a contraceptive that is completely safe thoroughly effective socially acceptable readily reversible inexpensive and completely convenient From oral contraceptives and intrauterine devices to periodic abstinence and male contraception to the latest developments in the field every form of birth control is covered in this book Thought provoking and pragmatic here at last is a comprehensive intelligent guide to contraception

**The Contraception Sourcebook** Elizabeth Connell,1912 Human kind has been searching for the ideal contraceptive since the beginning of time The objective was and still is to find a contraceptive that is completely safe thoroughly effective socially acceptable readily reversible inexpensive and completely convenient From oral contraceptives and intrauterine devices to periodic abstinence and male contraception to the latest developments in the field every form of birth control is covered in this book Thought provoking and pragmatic here at last is a comprehensive intelligent guide to contraception

*Seasonale And Extended Use Contraception Sourcebook* American Health Consultants,2003-01-01 [A Clinical Guide for Contraception](#) Leon Speroff,Philip D. Darney,2011 The thoroughly updated Fifth Edition of this practical handbook provides the essential information that clinicians and patients need to choose the best contraceptive method for the patient s age and medical social and personal characteristics [Contraception and Chronic Illnesses](#) Lawrence S. Neinstein,Barbara Katz,1986 *The Handbook of Contraception* Donna Shoupe,2007-11-07 I opened my series editor manuscript of The Handbook of Contraception A Guide for Practical Management edited by Drs Donna Shoupe and Siri Kjos on a tiny plane on the way to giving a lecture in Albany NY I expected to peruse the ma script and found that I could not put it down The Handbook of Contraception A Guide for Practical Management is an incredibly informative and enjoyable read In keeping with the objective of this series for primary care clinicians there is a quality in this title that is uncommon among medical textbooks The chapters of this book are written with extraordinary intelligence and und standing and with attention to practical considerations in the selection and mana ment of contraceptive options The authors have reviewed the science behind contraception including the chemical structure and effects of hormonal contraception physiology of contraception efficacy rates and side effects as well as the practical considerations that are relevant in helping patients choose between different cont ceptive options They do this with a clarity of language and intent that lets the book cover with sufficient detail the full range of questions that any primary care clinician will have regarding any of the traditional or new contraceptive options Also included in each chapter is a section on counseling tips which explicitly answers many of the questions that clinicians and their patients often have when discussing contraceptive options For a book so useful and well done the editors and authors deserve our thanks [Contraception](#) Robert Jütte,2008-05-12 Surveying one of the oldest and most urgent problems of mankind contraception this book tells of how over the centuries men and women have battled with the needs

both for sexual gratification and for limitation of offspring and also focuses on how contraception might evolve in the future

**Family Planning and Reproductive Health Sourcebook, 1st Ed.** James Chambers,2021-05-01 Consumer health information about family planning contraception through counseling maternal mortality mental health infertility and sexually transmitted diseases along with information about safety tips programs related to family planning assisted reproductive technology nutrition tips a glossary of related terms and list of resources for additional help *Contraception* Donna J. Drucker,2020-04-07 The development manufacturing and use of contraceptive methods from the late nineteenth century to the present viewed from the perspective of reproductive justice The beginning of the modern contraceptive era began in 1882 when Dr Aletta Jacobs opened the first birth control clinic in Amsterdam The founding of this facility and the clinical provision of contraception that it enabled marked the moment when physicians started to take the prevention of pregnancy seriously as a medical concern In this volume in the MIT Press Essential Knowledge series Donna Drucker traces the history of modern contraception outlining the development manufacturing and use of contraceptive methods from the opening of Dr Jacobs s clinic to the present Drucker approaches the subject from the perspective of reproductive justice the right to have a child the right not to have a child and the right to parent children safely and healthily Drucker describes contraceptive methods available before the pill including the diaphragm dispensed at the Jacobs clinic and condom spermicidal jellies and periodic abstinences She looks at the development and dissemination of the pill and its chemical descendants describes technological developments in such non hormonal contraceptives as the cervical cap and timing methods including the rhythm method favored by the Roman Catholic church and explains the concept of reproductive justice Finally Drucker considers the future of contraception the adaptations of existing methods new forms of distribution and ongoing efforts needed to support contraceptive access worldwide *Contraceptive Technology* Robert Anthony Hatcher,2007 The leading reference in reproductive health for 30 years with over 2 000 000 copies in print *Contraceptive Technology* is included on CD ROM with all copies of the book and also available separately as listed below This is a direct electronic conversion complete and unabridged in a PDF format Includes word searching capabilities of the full *Contraceptive Technology* text Patient instructions or other content for individual counseling or use may also be printed out Active links are provided to the 300 websites recommended by the authors throughout *Contraceptive Technology* Please see the pages in the back of this book with instructions on how to activate and use the CD ROM Book jacket **The Handbook of Contraception** Donna Shoupe,2020-09-22 This book presents an up to date and comprehensive review of female contraception offering an extensive overview of contraception types including oral injectable emergency and various cervical barrier contraceptives It also discusses behavioral and sterilization methods of contraception as well as the clinical effectiveness advantages disadvantages side effects and mechanisms of action of each method Now in its fully revised and expanded third edition this text includes seven new chapters that address specific clinical issues that healthcare providers face daily These issues include patients

with medical problems perimenopausal women the adolescent population post pregnancy patients patients with bleeding problems fibroids or hyperplasia obese patients and patients with acne or hirsutism There is also a new chapter dedicated to contraceptive methods that are currently in development Each chapter reviews the correct use of the individual method the most appropriate candidates timing of initiation red flag contraindications risks and benefits method of action handling side effects non contraceptive benefits switching methods and the CDC Medical Eligibility for the method Importantly however there is a new emphasis placed on standardized evidence based practice recommendations incorporating the most recent US Selected Practice Recommendations and rationale as published by the US CDC Written by experts in the field The Handbook of Contraception Third Edition is a valuable resource for obstetricians gynecologists reproductive medicine specialists and primary care physicians *Medical History of Contraception* Norman Edwin Himes,1963 **Beyond the Basics** Planned Parenthood Federation of Canada,2001-01-01 The Sourcebook is for individuals and organisations working in the area of sexual and reproductive health [Family Planning Sourcebook](#) Amy Marcaccio Keyzer,2001 Basic Consumer Health Information about Planning for Pregnancy and Contraception Including Traditional Methods Barrier Methods Hormonal Methods Permanent Methods Future Methods Emergency Contraception and Birth Control Choices for Women at Each Stage of Life Along with Statistics a Glossary and Sources of Additional Information **Handbook of Contraception and Sexual Health** Suzanne Everett,2014-04-03 Offering a comprehensive guide to contraception and sexual health the new edition of this practical handbook has been fully updated It takes an integrated approach to sexual health and now includes additional content on sexually transmitted infections as well as assessment skills Giving clear and detailed information about all contraceptive methods including how to use them contra indications interactions and common patient anxieties the Handbook of Contraception and Sexual Health is an essential read for all nurses midwives and allied health professionals working in community health and primary care settings All chapters are fully updated with the latest research and methods Includes additional chapters on the Consultation Process Progestogen pills and STIs and a newly written anatomy and physiology chapter Each chapter takes into account relevant UKMEC guidelines and includes self assessment exercises *The Complete Idiot's Guide to Sexual Health and Fitness* Kate Bracy,Kathryn Arendt,David Winchester,2008 Sex is a how to topic There are hundreds of manuals on how to have explosive amazing earth shattering sex There are exercise books for the muscles used during sex cookbooks for meals that increase your desire books about low sex drive high sex drive and everything in between And yet in most of these manuals there is usually one small chapter about sexual health In this age of breakthrough discoveries about potency and infection new drugs to combat the full range of sexually transmitted diseases new technologies for contraception and genital health there is no single volume that fully explains this extremely important aspect of all the incredible sex going on sexual health and fitness The Complete Idiot s Guide to Sexual Health and Fitnessfills this market need Written by Kate Bracy a veteran nurse practitioner and sexual health expert and Dr Kathryn

Arendt respected gynecologist this comprehensive book explains all aspects of sexual health and fitness for both men and women In clear jargon free and authoritative language this book includes information on The healthy functions of our sexual selves Diet exercise and safe sex practices that can keep us healthy and at our peak fitness Easy simple personal hygiene regimens for top health Current findings on prostate health and erectile dysfunction In depth explanations of the most widespread sexually transmitted diseases their symptoms prevention and cures The latest information on contraception and how it affects sexual health The most up to date findings on sexual health as it is affected by age The latest word on prescription and alternative supplements available to aid in sexual activities

**Family Planning and Reproductive Health Sourcebook** Hayes Kevin Ed,2021 Consumer health information about family planning contraception through counseling maternal mortality mental health infertility and sexually transmitted diseases along with information about safety tips programs related to family planning assisted reproductive technology nutrition tips a glossary of related terms and list of resources for additional help
