## **Bevanism Labours High Tide:**

Bevanism, Labour's High Tide Mark Jenkins, 1979      **The Struggle for Labour's Soul** Raymond Plant, Matt Beech, Kevin Hickson, 2004 Contributors ranging from Chancellor Gordon Brown to the Guardian newspaper's Polly Toybee discuss the Labour Party's political philosophy and address key topics like globalization constitutional reform equality and the third way      Narratives of Delusion in the Political Practice of the Labour Left 1931-1945 Roger Spalding, 2018-04-18 This book sets out a challenging re-interpretation of the politics of Labour's left wing It shows how the Left developed a range of simplistic self-sustaining narratives rather than supported analyses to guide its actions in the aftermath of the political crisis of 1931 This approach it is argued persisted down to the opening years of the present century its employment in part explaining the decline of the pre-Corbyn Left The narratives developed by the Left reflected a belief in the existence of a working class waiting to be led in a radical direction The leading figures of the Left often had limited direct contact with working people but within their narratives the responses of their target audience were predictable and automatic The Left created an idealised working class that behaved as the Left wished In addition the book questions the popular view often enhanced by biographers of many of these Labour Left leaders      *The Labour Party's Political Thought* G. Foote, 1997-05-11 This book provides a synoptic and accessible history of the development of political ideas within the Labour Party It traces the complex relationship between power and political thought and illustrates how Labour's political ideas have been shaped and formed by the Labour Party's political experience It presents labourism or trade union politics as a clear theory and stresses its importance in understanding the different phases in the party's history arguing that it constitutes the bedrock of the party's thought and that its crisis has caused the recent changes in party ideology      *Labour's Promised Land?* Jim Fyrth, 1995 The Labour governments of 1945-51 were the high point of Labour's popularity and enthusiasm for reform They also established the framework for the post-war political consensus This new collection of essays explores the cultural climate of Labour Britain and the framework of post-war political culture and welfare policies which conditioned that climate *Labour's Promised Land* resists the temptation to view British culture of the period through rose-tinted glasses The contributors critically assess the successes and failures of the Government's policies and cover issues such as British cinema of the period working class consumer culture the founding of the NHS Labour's attempts to house and educate the heroes and their families post-war feminist activity and the response of the right to their crushing defeat      *Europe Since 1945* Bernard A. Cook, 2001 Employing 286 scholars this two-volume encyclopedia contains entries on post-World War II European political history and groups significant events and persons the economy religion education the arts women's issues writers and more      *The Encyclopedia of the Korean War* Spencer C. Tucker, Paul G. Pierpaoli Jr., 2010-04-09 A multidimensional multidisciplinary work on one of the least understood but most important conflicts in modern history A cornerstone work in ABC-CLIO's distinguished list of reference works on military history *The Encyclopedia of the Korean War* A Political Social

and Military History is a comprehensive resource on the confrontation that became the first shooting war of the Cold War the first limited conflict of the Atomic Age and the war that led to a dramatic escalation of the national security state while foreshadowing U S involvement in Vietnam Encyclopedia of the Korean War offers complete coverage of strategies weapon systems and clashes that marked the course of events on the battlefield But this authoritative multidisciplinary work expands beyond the military perspective to portray the overall culture of the era addressing a variety of political economic social and popular culture topics as well Incorporating a wealth of recent research the new edition adds more than 130 entries and updated coverage throughout plus more bibliographic listings an expanded historiographical essay and a documents volume
