THE EXTENT OF THE ATONEMENT 1

THE GOSPEL OF JOHN SERIES

Definite Atonement

Gary Long

Definite Atonement:

From Heaven He Came and Sought Her David Gibson, Jonathan Gibson, 2013-11-30 There is a palpable sense of confusion and sometimes even embarrassment with regard to so called limited atonement today pointing to the need for thoughtful engagement with this controversial doctrine Incorporating contributions from a host of respected theologians *From Heaven He Came and Sought Her* stands as the first comprehensive resource on definite atonement as it examines the issue from historical biblical theological and pastoral perspectives Offering scholarly insights for those seeking a thorough and well researched discussion this book will encourage charitable conversations as it winsomely defends this foundational tenet of Reformed theology The epub edition of this title will not display correctly when viewed on Adobe Digital Editions Hebrew characters will be inaccurately displayed in this reader

Definite Atonement Gary Long, 2014-11-14 I the author of this book see no purpose benefit or comfort in a redemption that does not redeem a propitiation that does not propitiate a reconciliation that does no reconcile neither do I have any faith in a hypothetical salvation for hypothetical believers Rather I have faith in a redemption witch infallibly secures the salvation of each and every one for whom it was purposed before the foundation of the world namely the children of God that are scattered abroad which are such a multitude of sinners declared righteous through faith in Christ that no man can number them God forbid therefore that I should glory save in the cross of our Lord Jesus Christ Gal 6 14 For Whom Did Christ Die God imposed His wrath due unto and the Son underwent the pains of hell for either 1 all the sins of all men or 2 all the sins of some men or 3 some sins of all men If the last some sins of all men then all men have some sins to answer for and so no man shall be saved If the second that is it which we affirm that Christ in their stead suffered all the sins of all the elect in the world If the first why then are not all freed from the punishment of all their sins You will say Because of their unbelief they will not believe But this unbelief is it a sin or not If not why should they be punished for it If it be then Christ underwent the punishment due unto it or not If so then why must that hinder them more than their other sins for which He died If He did not then He did not die for all their sins John Owen ca 1650

Calvin on the Death of Christ Paul A Hartog, 2023-01-01 John Calvin s understanding of the extent of the atonement achieved in Christ s death is one of the most contested questions in historical theology In common thought Calvin s name is closely associated with the limited atonement stance canonized within the TULIP acronym but Calvin s personal endorsement of a strictly particularist view whereby Christ died for the elect alone is debateable In *Calvin on the Death of Christ* Paul Hartog re examines Calvin s writing on the subject traces the various resulting historical trajectories and engages with the full spectrum of more recent scholarship In so doing he makes clear that while Calvin undoubtedly believed in unconditional election he also repeatedly spoke of Christ dying for all or for the world These phrases must be held central if we are to discover Calvin s own view of the subject Hartog s conclusions will surprise some and may hold significant implications for the Calvinist tradition today Throughout however they are cogently articulated and sensitively pitched

Shultz Jr., 2014-01-07 Christians strongly disagree about the extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God's intentions in the atonement are multiple

not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins
