Alphas Cult:

Alpha's Cult Essdale Wilson,2003-01-16 When Megan Morgan's world falls apart she turns to a group for support and life answers As with most groups the described group structure looks good on paper but she is unable to foresee the antagonism those who have designs on her and a woman who falls in love with her She is convinced that she can meet the physical demands and cope with problems of adjustment but the diversification of personalities and desires create a constantly challenging existence where murder competition and love tax her limits and moral foundation *Alpha's Moon* Diana J. Vargas,2024-06-05 She catches his scent from a mile away and it smells like trouble No one knew what Mama Fan looked like or where she came from Despite offers from Michelin starred establishments from across the globe the 26 year old Chef rarely left the kitchen of her tiny restaurant in the forest outside of Hong Kong Then one day a wolf came to her door and changed everything Gabriel Moncrief CEO of Lupus Corps and the Alpha of the Moncrief Pack had no time to mess around With a board election around the corner and a saboteur putting extra work on his already full schedule the last thing he needed was a distraction Nevertheless that is exactly what the mysterious Mama Fan turned out to be A distraction he could not ignore *The Alpha Enterprise* Stephen Hunt,2019-10-01 The Alpha Enterprise explores the development growth and impact of the most widely used evangelising programme of recent decades The Alpha course is run in over seven thousand churches in the UK and over five thousand in the USA Across the world some four million people have graduated through the course in over 80 countries Alpha is truly the fastest growing evangelising initiative creating widespread support as well as stirring strong criticism Stephen Hunt critically examines the content and working philosophy of the Alpha course through the experiences of the churches that have run it as well as the individuals who have experienced it first hand Hunt charts the history of the programme its use of group dynamics and media how it links with the charismatic movement how it deals with issues such as homosexuality how it is run not only in churches but in prisons and universities too and concludes by measuring Alpha's impact and success Engaging with debates regarding postmodernity globalisation McDonaldisation consumerism and secularisation and based on real life surveys The Alpha Enterprise sheds new light not only on evangelism but on contemporary Christianity in general and how it engages with a post Christian culture **The Paraclete and Mahdi Or the Exact Testimony of Science to Revelations and Exposition of the Most Ancient Mysteries and Cults ...** John Locke Estens,1912 *Be The Dog* Steve Duno,2008-02-05 A well trained dog rewards you with a kind of love and loyalty you won't get anywhere else But the secret of this relationship is not in the dog it's in the owner Here's a revolutionary approach to dog training based on observing what natural dog owners do instinctively that is they intuitively understand the canine mind and relate to a dog by thinking like a dog Readers who follow their example will discover that instead of trying to outsmart the dog they'll build up his IQ Instead of trying different forms of punishment they'll enrich his environment Together owner and dog will throw away the old ideas of obedience and control and build a deeper relationship based on
