Soul of the Dragon Karil Wade,2003-02-10 A dark and stormy night an atmosphere of fear and dread Horror The tales of nightmares and frightening realms of reality only a turn of the page away The fiction of horror a place our imaginations go so eagerly filling our minds with alternative ways of thinking and feeling Training for bigger truths to come Soul of the Dragon a story of innocence and evil puts us inside a killers skin as hostage witness to violent acts of murder Revealing that this killer never acts alone Beyond deaths door the dragon waits for any opening into our world Needing only a momentas hesitation at a point just past ones death when a being is unwilling to let go of human bonds The dragons doorway into our world of the living Only the innocent thoughts of a young boy can send it back But not before its wrath is wrought
