Crowleys Apprentice:

Crowleys Apprentice Suster, Crowley's Apprentice Gerald Suster, 1990 Dr Francis Israel Regardie was one of the most important figures in the 20th century development of the Western Mystery Tradition From the teachings of Madame Blavatsky the BhagavadGita Buddhism and yoga he came to study with Crowley and became his secretary **The Aleister Crowley Collection** Aleister Crowley, 2018-07-25 Aleister Crowley's *The Book of Lies* is an important complex work of occultism Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema For those interested in passing beyond the initiate stage the reward offered by a deeper understanding of this challenging text is well worth the effort Also included in The Aleister Crowley Collection Crowley's seminal work *The Book of the Law* and his outrageous drug romp *Diary of a Drug Fiend* **High Culture** Christopher Hugh Partridge, 2018 Humans have always been fascinated by drugs and altered states Despite the risk of addiction many have used drugs as technologies to induce moments of meaning making transcendence Beginning at the close of the eighteenth century this book traces the quest for transcendence and meaning through drugs in the West through the modern period **Do What Thou Wilt** Lawrence Sutin, 2014-07-08 *Do What Thou Wilt* An exploration into the life and works of a modern mystic occultist poet mountaineer and bisexual adventurer known to his contemporaries as The Great Beast Aleister Crowley was a groundbreaking poet and an iconoclastic visionary whose literary and cultural legacy extends far beyond the limits of his notoriety as a practitioner of the occult arts Born in 1875 to devout Christian parents young Aleister's devotion scarcely outlived his father who died when the boy was twelve He reached maturity in the boarding schools and brothels of Victorian England trained to become a world class mountain climber and seldom persisted with any endeavor in which he could be bested Like many self-styled illuminati of his class and generation the hedonistic Crowley gravitated toward the occult An aspiring poet and a pampered wastrel obsessed with reconciling his quest for spiritual perfection and his inclination do exactly as he liked in the earthly realm Crowley developed his own school of mysticism Magick as he called it summoned its users to embrace the imagination and to glorify the will Crowley often explored his spiritual yearnings through drug saturated vision quests and rampant sexual adventurism but at other times he embraced Eastern philosophies and sought enlightenment on ascetic sojourns into the wilderness This controversial individual a frightening mixture of egomania and self-loathing has inspired passionate but seldom fair assessments from historians Lawrence Sutin by treating Crowley as a cultural phenomenon and not simply a sorcerer or a charlatan convinces skeptic readers that the self-styled Beast remains a fascinating study in how one man devoted his life to the subversion of the dominant moral and religious values of his time
