COLD WHITE FURY

BETH AMOS

Cold White Fury

David Herbert Lawrence

Cold White Fury:

Cold White Fury Beth Amos, 1996 Sliver of Fate A freak accident A tiny unnoticed fragment of metal is embedded in an infant's brain Eight years later the bizarre is triggered a phenomenon that goes undetected by medical personnel but which may save America from a sinister conspiracy Widowed Jennifer Bolton is desperate to deny the strange voices that her young son Tanner has started hearing But when their home is ransacked and their lives threatened by fearful unseen forces Jennifer decides to flee What she is about to discover is that the fate of millions hangs on the strange paranormal gifts of her innocent son How he will use them is now left up to two people

Black Messiahs and Uncle Toms Wilson J. Moses, 2011-01-31 Martin Luther King is dead and the millenarian integrationalism that he symbolized sleeps with him but messianic Christian rhetoric still characterizes black oratory both from the pulpit and on the hustings Dead too are the chief American prophets of Pan Islam but the Ethiopian Hebrews and Moorish Science Temple are still active As black messianic myths die out this book argues new ones spring up to take their places Dr Moses views black messianism as a powerful and in many respects a beautiful myth permeating the thinking of both white and black Americans since the late 18th century But he points out black messianism was evident as early as 1788 in the writings of Othello or 1791 when Benjamin Banneker wrote to Thomas Jefferson of the Negro's divine right to share the new nation's peculiar blessing of the heaven The author carefully defines the concept of messianism and considers redemptive mission as a key attribute of the conception one with which Harriet Beecher Stowe endowed Uncle Tom despite activists' mistaken notion of him as servile The mythic black hero as messiah is a pervasive theme in literary and social expressions as disparate as the writings of Booker T Washington Marcus Garvey W E B Dubois and Ralph Ellison and the cults that developed around Joe Louis Malcolm X and others Following the methodology used by Henry Nash Smith in *Virgin Land The American West as Symbol and Myth* Dr Moses presents a new angle of vision on many of the issues of black messianism and on the leading figures in the movement The author concludes that despite the frequent excesses and even absurdities of black messianism the American traditions of evangelical reform perfectionism and the social gospel offer more promise than today's widespread narcissistic anarchism Reviewers commented that Dr Moses' analysis is as probing as anything and that the book will stir controversy as well as praise by other scholars in the field

The Room Eirin Martin, 2012-02-03 The Room follows a quiet young girl named Larc as she lives day to day unnoticed at school and condemned at home by her foster mother Charlotte Every day is almost exactly the same Routine begins to bore Larc and Charlotte becomes more and more impossible to live with With only the comfort of her room to look forward to Larc slowly begins to fade within herself to find a new freeing and terrifying self hidden within Has Larc become someone else or is this who she really is inside

The Second Coming Daniel F. Lamb, 2014-11-07 This is the story of Bobby McGee a young man growing up in a rural Florida Panhandle town as seen through the eyes of Bobby himself We witness through his eyes how his father the Reverend McGee leads his flock of followers to hope and ultimately religious ecstasy in the promise of the

Second Coming and then we witness their plunge into the anguish of defeat We follow Bobbys innocent humor as he zeroes in on the human condition and adult hypocrisy We also witness Bobbys own loneliness and despair in his desire for a young woman he cannot have We listen to the stories of his savior Jorje Carlyle and follow his wanderings as a runaway fleeing the disaster of lost hope We are left nearly breathless as he seeks shelter with another savior the hobo Joey Kline in a North Dakota blizzard Then we enter the theater of the absurd as we witness his encounter with the evangelist in Seattle We then witness his lowest ebb homeless with Bubba on the streets of San Francisco But finally we meet Stephanie and witness their romantic love for each other as well as their ecstatic date with eternity And then there is the professor and the nude beach

Posnock,2009-07-01 The coining of the term intellectuals in 1898 coincided with W E B Du Bois s effort to disseminate values and ideals unbounded by the color line Du Bois s ideal of a higher and broader and more varied human culture is at the heart of a cosmopolitan tradition that Color and Culture identifies as a missing chapter in American literary and cultural history The book offers a much needed and startlingly new historical perspective on black intellectuals as a social category ranging over a century from Frederick Douglass to Patricia Williams from Du Bois Pauline Hopkins and Charles Chesnutt to Nella Larsen Zora Neale Hurston and Alain Locke from Ralph Ellison and James Baldwin to Samuel Delany and Adrienne Kennedy These writers challenge two durable assumptions that high culture is white culture and that racial uplift is the sole concern of the black intellectual The remarkable tradition that this book recaptures culminating in a cosmopolitan disregard for demands for racial authenticity and group solidarity is strikingly at odds with the identity politics and multicultural movements of our day In the Du Boisian tradition Ross Posnock identifies a universalism inseparable from the particular and open to ethnicity an approach with the power to take us beyond the provincialism of postmodern tribalism *The Amethyst Cross* Fergus Hume,1909 [We Know Too Much](#) Dennis Doph,2011-11-23 Based on a true story step inside the horror of one Brooklyn apartment in the mid 1970s Ham and Von are best friends and they believe theyve found the opportunity of a lifetimea cheap place to live in New York City Mysteriously the apartment has not been occupied in over forty years They soon discover the reason for the vacancy it is apparently inhabited by a ghost Once settled in to their new home the boys begin to notice wild temperature changes and witness things flying around the room of their own accord They decide to call in a white witch to learn more about the ghost by way of a late night sance But nothing is quite as it seems in New York of the seventies Surrounded by a party mentality filled with drugs sex and music the boys have trouble fighting whatever haunts their home Soon a friend with possible good intentions begins experimenting with the Brazilian Old Religion known as Macondo Brutality breaks out in their once peaceful Brooklyn neighborhood A beloved cat is donated to the white witch as a familiar The two find their lives have been rapidly turned upside down Based on the actual experiences of author Dennis Doph *We Know Too Much* is a story of terror tough choices and lasting friendships *All the Year Round* ,1893 [The Heir](#)
