Poetry of the First World War

Tim Kendall, 2013-10-10 The First World War produced

an extraordinary flowering of poetic talent poets whose words commemorate the conflict more personally and as enduringly as monuments in stone Lines such as What passing bells for these who die as cattle and They shall grow not old as we that are left grow old have come to express the feelings of a nation about the horrors and aftermath of war This new anthology provides a definitive record of the achievements of the Great War poets As well as offering generous selections from the celebrated soldier poets including Wilfred Owen Siegfried Sassoon Rupert Brooke and Ivor Gurney it also incorporates less well known writing by civilian and women poets Music hall and trench songs provide a further lyrical perspective on the War A general introduction charts the history of the war poets reception and challenges prevailing myths about the war poets progress from idealism to bitterness The work of each poet is prefaced with a biographical account that sets the poems in their historical context Although the War has now passed out of living memory its haunting of our language and culture has not been exorcised Its poetry survives because it continues to speak to and about us

The Oxford English Literary

History: Volume 10: 1910-1940: The Modern Movement

Chris Baldick, 2005-11-10 This exciting new volume provides a

freshly inclusive account of literature in England in the period before during and after the First World War Chris Baldick places the modernist achievements of Virginia Woolf T S Eliot and James Joyce within the rich context of non modernist writings across all major genres allowing high literary art to be read against the background of low entertainment Looking well beyond the modernist vanguard Baldick highlights the survival and renewal of realist traditions in these decades of post Victorian disillusionment Ranging widely across psychological novels war poems detective stories satires and children s books The Modern Movement provides a unique survey of the literature of this turbulent time

The Literature of War

Andrew Rutherford, 1989-01-01 It is widely assumed today that heroism is obsolete as an ideal that heroic virtue is a

contradiction in terms and that war literature must be anti war by definition The author argues that the theoretical

foundations of these assumptions are inadequate and do not fit the literary facts

Modern Nostalgia

Robert Hemmings, 2008-07-04 This book explores Siegfried Sassoon s writing of the twenties thirties and forties demonstrating the

connections between trauma and nostalgia in a culture saturated with the anxieties of war Informed by the texts of Freud W H R Rivers and other psychological writers of the early twentieth century as well as contemporary theorists of nostalgia and trauma this book examines the pathology of nostalgia conveyed in Sassoon s unpublished poems letters and journals together with his published work It situates his ongoing anxiety about Englishness modernity and his relation to modernist aesthetics within the context of other literary responses to the legacy of war and the threat of war s return by writers including Edmund

Blunden Robert Graves and T E Lawrence **The Modern Movement** Chris Baldick,2004 A major new survey of literature in England during the first half of the twentieth century Chris Baldick places modernist with non modernist writings high art with low entertainment The Modern Movement ranges broadly covering psychological novels war poems detective stories satires children s books and other literary forms evolving in response to the new anxieties and exhilarations of twentieth century life **Siegfried Sassoon** Sanford Sternlicht,1993 From 1914 until 1918 World War I ravaged Europe devastating country after country and taking millions of lives Responsible for more battlefield casualties than any war before or since the confrontation is remembered as one of the most gruelling and tragic in western civilization Out of the horror however came an astonishing legacy in the form of poetry The violence of combat awoke strong emotions in a group of renowned Englishmen who were able to translate their experience and emotion into verse Wilfred Owen Isaac Rosenberg and not least Siegfried Sassoon Born into a privileged family in Kent in 1886 Sassoon spent a largely unremarkable childhood Upon completing his last year at the distinguished secondary school Marlborough College a schoolmaster wrote of him shows no particular intelligence or aptitude for any branch of his work seems unlikely to adopt any special career After two years at Cambridge and a few more pursuing gentlemanly pastimes Sassoon decided to concentrate on his poetry which remained mediocre The was to change with his entry into the army just a few days before Britain entered the war and the inspiration the horrors of trench warfare provided him His war poems were to have an immediacy and vibrancy unmatched by any he had written before In this study Sanford Sternlicht examines not only this poetry but Sassoon s other literary endeavors including the widely acclaimed *The Complete Memoirs of George Sherston* to create the most comprehensive study on him to date The first book to profit from the publication of Sassoon diaries in the 1980s Siegfried Sassoon is an authoritative and well balanced introduction to the life and works of a fascinating writer It also provides strong evidence against the popular view that Sassoon was a purely Georgian poet placing his combat poetry squarely in the modernist tradition Sassoon s copious post World War I satirical and religious poetry is fully explicated and evaluated BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *HarperCollins Pocket Anthology Series* R.
