Sing & Read™ Math Literacy Series

## Problem Solving

This CD-ROM guide is a treasure box of purposeful, leveled instruction lessons matched to current objectives for the ten-book Problem Solving Collection of the "Sing & Read"™ Math Literacy Series. The lessons introduce and reinforce appropriate math concepts with singing and movement. Best of all, each concept is intentionally connected to your young mathematicians' everyday lives.

The resources for each storybook include ideas for

- introducing the math concept
- ideas for using the book as an assessment tool
- creative lessons for teaching and practicing the math concept at several different levels
- introducing the book
- learning center and station activities
- home connection activities

This easy-to-read CD-ROM guide also includes objectives matched to each activity, reproducible family notes, sorting mats, and picture cards. You have everything you need to differentiate instruction for every child.

In addition to meeting the needs of young math learners, the Problem Solving Collection provides positive literacy experiences for young children. As children sing and read the stories, answer the questions, and actively participate in the math activities, they are developing beginning literacy skills.

The enclosed disc is intended for use in one classroom.
