

Think Feel Act Worksheet

Did you know the way we think affects how we feel and act? Our thoughts are very powerful. They make us decide how to feel. Our feelings then lead our actions. Our actions again decide how we think about the situation. Sometimes all we need to do is change the way we think about a situation to make us feel better and act wise!

Write any recent situation which did not make you feel good. Then fill the think-feel-act cycle below.

What was the first thought in your head?

How did it make you feel?

How did you act?

What was the situation? _____
