Lecture and Notes on Shakespeare Samuel Taylor Coleridge, 1888 *City news notes and queries [afterw.] Manchester notes and queries. Ed. by J.H. Nodal. Vol.1-8 [issued in 33 pt. Wanting pt.1,5].* Manchester city news, 1880

Notes and Queries, 1914 The German Experience of Japan's Treaty Port System Prue P. Holstein, 2025-10-24
German merchants were attracted to the British Empire's spheres of influence in northeast Asia from the 1700s. Their numbers increased when Britain established a network of treaty ports in China from 1842 and in Japan from 1858. A latecomer to empire, Germany unified only in 1871, extended its imperial influence in China in 1898. This is the story of two German merchants, Carl Nickel and his relative and successor Christian Holstein, ancestors of the author's husband, as they built their company C Nickel Co Ltd in Kobe into their own waterfront empire, contributing to the growth and modernization of the port. This is the story of how they operated in treaty port Japan where the Japanese government could be anti-foreign and obstructionist, partnering with or in opposition to British colleagues, presenting new challenges as Holstein navigated World War One and its aftermath until 1923. Miller, John D. Steffenhagen, 2025-06-11 Owner of one of the most successful semi-pro football teams in the country, Leo Lyons attended the National Football League's organizational meeting in Canton, Ohio, along with George Halas, Jim Thorpe, Carl Storck, Ralph Hay, and a handful of other visionaries and is recognized as a founding father of the league. This meticulously researched biography details Lyons' participation in many of the league's milestone moments as well as the many concepts he introduced to the game. An integration pioneer, Lyons hired Henry McDonald, the fourth known black professional player, in 1912. Lyons' innovative Jeffs logo in 1915 was the first used by a professional football team. He conceptualized football trading cards as a promotional tool a year later. He even collaborated with the Wilson Sporting Goods Company to transform the ball from its melon shape into the one fans recognize today. This account presents Lyons' struggles to keep his team afloat in the turbulent early days of the NFL and delves into his involvement with underground figures as he sought to sign the famous Red Grange for his Rochester Jeffersons.
