

A vibrant, colorful illustration of outer space. The background is a deep blue and purple starry sky. In the upper left, there's a bright orange and yellow nebula. A large, green and blue planet is visible in the upper right. Various spacecraft, including a satellite with solar panels, a rocket, and a space station, are scattered across the sky. In the lower right, there's a red observatory with a yellow light inside. At the bottom, two children are seen from behind, looking up at the stars.
