**The Astrology of Success** Jan Spiller,2014-04-05 One of the most important journeys in life is finding your calling a process of identifying and embracing the best career for personal satisfaction and success As a child you may have intuitively identified a career path that felt exciting and right But it s easy to lose that belief and clarity as you navigate a confusing world Competing and contradictory advice and expectations from friends family and society can make it challenging to identify what you truly want to do in the world and how to pursue your dreams In this inspiring practical and supportive book Jan Spiller teaches you how the 10th House or Midheaven in your astrological chart can shed light on the tools and gifts you have to achieve success in any area of life When you embrace and express your natural talents you more easily enlist others in your success and events fall into place more smoothly But more than that the 10th House shows how you can actualize the part of yourself that seeks a meaningful place in the world and how to align more closely with your deeper purpose On all levels financial emotional relational and spiritual the 10th House can guide you to fulfillment authenticity and success You ll need your astrology chart to use this book Free birth charts [www.janspiller.com](http://www.janspiller.com) **Astrology for Success** Cass
