**The Royal Secret** I. Edward Clark,2017-07-11 A fascinating book on Symbolism and Astrology of Freemasonry first published in 1923 Away back in 1887 when the city of Alpena was located in the heart of one of the lumber districts of Michigan Hopper Lodge U D now No 386 of that city was pleased to honor me with membership in due and ancient form In those days or at least in that Lodge there was no horseplay and I was so impressed with the work that I resolved to master all the lectures which I did The part which interested me the most was the one which I could learn the least about I would have sacrificed a five dollar note to learn why Pythagoras sacrificed a hecatomb and would have given as much to anyone who would explain the mystery surrounding the 47th Problem of Euclid as depicted on the lecture chart

When inquiry failed me I made diligent search and finally discovered the KEY OF THE HOUSE OF DAVID through the knowledge of which I was enabled to penetrate the allegorical veil just as Pythagoras did five hundred years before the Christian era On the night of my initiation I was told that Freemasonry was founded on the Bible and all its secrets were hidden therein In my research work I discovered that the true secrets of Freemasonry were written in the stars and the book of nature and a knowledge of astronomy and astrology was necessary to lift the allegorical veil Upon obtaining this knowledge I discovered that the Bible was founded upon the same law as Freemasonry i e the stars and the book of nature

... Albert Gallatin Mackey,1887     The Freemasons' Magazine and Masonic Mirror ,1871     Before the Pyramids  
Christopher Knight,Alan Butler,2014-03-04 This page turning study of the Giza pyramids British henges and the megalithic measuring system could completely change the way we view our remote past and origins Robert G Bauval author of The Orion Mystery The suggestion that the Giza pyramids were laid out to represent the stars of Orion s belt with the position of the River Nile reflecting the Milky Way was first put forward by the renowned author Robert Bauval in his bestselling book The Orion Mystery In Before the Pyramids Christopher Knight and Alan Butler reveal that the British henges were arranged in the same formation but much earlier They also present irrefutable evidence that the astronomical calculations determining the layout of the pyramids could only have been made from the site of the henges in North Yorkshire From this they can

conclude that the pyramids of the pharaohs were conceived and planned in Britain Their next stunning discovery takes us to modern times They have found evidence that the whole Megalithic measuring system has survived into the 20th century There are examples in Washington DC even in the positioning and construction of the Pentagon which was only commenced in 1942 and is an exact copy of the dimensions of Stonehenge dating to 3 000 BC The History of Freemasonry, Its Antiquities, Symbols, Constitutions, Customs, Etc Robert Freke Gould,1885 **The Secret History of the World** Mark Booth,2010-02-23 This New York Times bestselling work reimagines world history through the belief systems of Freemasons Rosicrucians Kabbalists and others They say that history is written by the victors But what if history as we know it written by the wrong people What if everything we ve been told is only part of the story In this groundbreaking and controversial work Mark Booth embarks on an enthralling tour of our world s secret histories Booth starts from a dangerous premise That the stories put forward by the world s various cults and mystical traditions are true From there he relates a deeply provocative alternate history of the past 3 000 years From Greek and Egyptian mythology to Jewish folklore from Christian cults to Freemasons from Charlemagne to Don Quixote from George Washington to Hitler Booth shows that history needs a revolutionary rethink and he has 3 000 years of hidden wisdom to back it up **The x-rays in freemasonry, by A.
