

Atleast Or At Least

At Least

"At least" is a common English phrase used to indicate the minimum or a lower limit of something. It is employed when expressing the smallest amount, degree, or number that is acceptable or expected in a given situation.

Examples of Correct Usage:

- **Correct:** She needs at least five hours of sleep to function well.
- **Correct:** Please bring at least two forms of identification to the interview.
- **Correct:** The project will take at least a month to complete.

Atlast

The term "atleast" is not the correct way to write this expression. In English, "atleast" is considered incorrect because "at least" is a two-word phrase. The correct usage requires maintaining a space between the two words.
