The Weekly welcome [afterw.] The Welcome ,1875      **Christ Knocking at the Door of Sinners' Hearts** John Flavel,1689      Fate Knocks at the Door Will Levington Comfort,1912      **Paracomedy** Craig Jendza,2020-04-07

Paracomedy Appropriations of Comedy in Greek Drama examines the previously overlooked practice of paracomedy how ancient Greek tragedians appropriated elements from comedy such as costumes scenes plots or language Theorizing a new relationship between tragedy and comedy it redefines how we should understand tragedy and reveals a dynamic theatrical world filled with mutual influence      At the Door Knocking William Berning,2007-12 Which of these is more loving To tell someone what they want to know so they feel better or to tell them what they need to know so they get better How you answer that question will determine your interest in this highly readable and very insightful examination of basic church sayings that have misled Christians for years William Berning brings these basic teachings to the light of Scripture rightly divided and rightly applied and reveals their darkness For the spiritually young or the spiritually mature this book goes straight to the deepest questions of what makes a Christian a Christian      Praises Edwin Othello Excell,1905      In the Shadow of Descartes G.H. Von Wright,2013-03-09 Descartes made a sharp distinction between matter and mind But he also thought that the two interact with one another Is such interaction possible however without either a materialist reduction of mind to matter or an idealist phenomenalist reduction of matter to mind These questions overshadow the Western tradition in metaphysics from the time of Descartes to present times The book makes an effort to stay clear of reductivist views of the two Cartesian substances It defends a dualistic psycho physical parallel theory which reconciles freedom of action with determinism in nature Basic problems in perception theory are also discussed with special emphasis on hearing and sound Because of the intrinsic interest of the subject and the author s non technical presentation of it the book should appeal to all readers with a serious interest in philosophy and psychology      "The Gospel Awakening."
