Ata Torbet Southern Gentleman In Union Blue

William J. Miller

Ata Torbet Southern Gentleman In Union Blue:

A.T.A. Torbert A. D. Slade,1992 Details the life especially the war years of Alfred Torbert of Delaware The majority of the narrative showcases the cavalry great s rise from waffling about which army to join his education at West Point and through his commission as Colonel of the 1st New Jersey Infantry Later he served under General Sheridan in the cavalry command and reached the grade of Brevet Major General in the 2nd U S Infantry Regiment The book also touches on his prewar ancestry early life and the final 15 years of his life some of which he served as a consular under President Grant

Trevilian Station, June 11-12, 1864 Joseph W. McKinney,2016-03-02 In June 1864 General Ulysses Grant ordered his cavalry commander Philip Sheridan to conduct a raid to destroy the Virginia Central Railroad between Charlottesville and Richmond Sheridan fell short of his objective when he was defeated by General Wade Hampton s cavalry in a two day battle at Trevilian Station The first day s fighting saw dismounted Yankees and Rebels engaged at close range in dense forest By day s end Hampton had withdrawn to the west Advancing the next morning Sheridan found Hampton dug in behind hastily built fortifications and launched seven dismounted assaults each repulsed with heavy casualties As darkness fell the Confederates counterattacked driving the Union forces from the field Sheridan began his withdrawal that night an ordeal for his men the Union wounded and Confederate prisoners brought off the field and the hundreds of starved and exhausted horses that marked his retreat killed to prevent their falling into Confederate hands

Crisis of Command in the Army of the Potomac Jay W. Simson,2008-08-28 With the ascendancy of Ulysses S Grant in late 1863 the command tone of the United States Army underwent a dramatic change While Grant s predecessor George McClellan had been overly cautious about committing troops and resources to fight the South Grant held the philosophy that a war fought for total ends required total means Philip Sheridan set about reorganizing the army to reflect Grant s new style During the last six months of the war he relieved three generals of their commands because of their inability to follow his orders precisely William Averell Alfred Torbert and Gouverneur Warren found themselves and their careers casualties of Sheridan s intense determination to bring an end to the hostilities Only Ranald S Mackenzie managed to survive Sheridan s search for effective leaders proving himself the ideal subordinate

Medical Histories of Union Generals Jack D. Welsh,2005 During the Civil War the majority of the 583 Union generals studied here were afflicted by disease injured by accidents or suffered wounds This book includes a glossary of medical terms as well as a sequence of medical events during the Civil War listing wounds accidents and deaths

The Boy Generals: George Custer, Wesley Merritt, and the Cavalry of the Army of the Potomac, Volume 2

Adolfo Ovies,2023-10-19 Al Ovies combines an impressive array of source material and intricate analysis to craft a historical gem This is a must read for anyone interested in Civil War cavalry and later war actions in the Eastern Theater Scott Patchan author of *The Last Battle of Winchester* The second installment of Al Ovies *The Boy Generals* trilogy George Custer Wesley Merritt and the Cavalry of the Army of the Potomac from the Gettysburg Retreat through the Shenandoah Valley Campaign

of 1864 encompasses a period jammed with tumultuous events for the cavalry on and off the battlefield and a significant change of command at the top. Once below the Potomac River the Union troopers raced down the east side of the Blue Ridge Mountains but were unable to prevent General Lee's wounded Army of Northern Virginia from reaching Culpeper. The balance of the 1863 was a series of maneuvers, raids, and fighting that witnessed the near destruction of the Michigan Cavalry Brigade at Buckland Mills and the indecisive and frustrating efforts of the Bristoe Station and Mine Run campaigns. Alfred Pleasonton's controversial command of the mounted arm ended abruptly only to be replaced by the more controversial Philip H. Sheridan, whose combustible personality intensified the animosity between George Custer and Wesley Merritt. Victory and glory followed the Cavalry Corps during the early days of Overland campaign, particularly at Yellow Tavern where Rebel cavalier Jeb Stuart was mortally wounded. The spirited rivalry between Custer and Merritt in turn took a turn for the worse. At Trevilian Station the bitterness and rancor permeating their relationship broke into the open to include harsh official reports critical of the other's actions. Merritt's elevation to temporary command of the 1st Cavalry Division cemented their rancor. Just as their relationship worsened, so too did the tenor of the war darken as the sieges of Richmond and Petersburg ground on and Confederate partisan Col. John S. Mosby intensified guerrilla operations that disrupted Union logistics in the Shenandoah Valley. When Gen. Ulysses Grant demanded that Sheridan escalate retribution, the cavalry commander delivered his infamous edict to eat out Virginia clear and clean as far as they go so that crows flying over it for the balance of the season will have to carry their provender with them. Much of the gritty task fell on the shoulders of the boy generals. Adolfo Ovies' well-researched and meticulously detailed account of the increasingly dysfunctional relationship between Custer and Merritt follows the same entertaining style in the first installment. **The Boy Generals** changes the way Civil War enthusiasts will understand and judge the actions of the Union's bold riders.

The Wilderness Campaign Gary W. Gallagher, 2012-01-01. In the spring of 1864, in the vast Virginia scrub forest known as the Wilderness, Ulysses S. Grant and Robert E. Lee first met in battle. The Wilderness campaign of May 5-6 initiated an epic confrontation between these two Civil War commanders, one that would finally end eleven months later with Lee's surrender at Appomattox. The eight essays here assembled explore aspects of the background, conduct, and repercussions of the fighting in the Wilderness. Through an often revisionist lens, contributors to this volume focus on topics such as civilian expectations for the campaign, morale in the two armies, and the generalship of Lee, Grant, Philip H. Sheridan, Richard S. Ewell, A. P. Hill, James Longstreet, and Lewis A. Grant. Taken together, these essays revise and enhance existing work on the battle, highlighting ways in which the military and nonmilitary spheres of war intersected in the Wilderness. The contributors are: S. Carmichael, *Escaping the Shadow of Gettysburg*; Richard S. Ewell and Ambrose Powell Hill at the Wilderness; Gary W. Gallagher, *Our Hearts Are Full of Hope: The Army of Northern Virginia in the Spring of 1864*; John J. Hennessy, *I Dread the Spring: The Army of the Potomac Prepares for the Overland Campaign*; Robert E. L. Krick, *Like a Duck on a June Bug*; James Longstreet's Flank Attack, May 6, 1864; Robert K.

Krick Lee to the Rear the Texans Cried Carol Reardon The Other Grant Lewis A Grant and the Vermont Brigade in the Battle of the Wilderness Gordon C Rhea Union Cavalry in the Wilderness The Education of Philip H Sheridan and James H Wilson Brooks D Simpson Great Expectations Ulysses S Grant the Northern Press and the Opening of the Wilderness Campaign

Decision at Tom's Brook William J. Miller, 2016-05-19 The Battle of Tom's Brook recalled one Confederate soldier was the greatest disaster that ever befell our cavalry during the whole war The fight took place during the last autumn of the Civil War when the Union General Phil Sheridan vowed to turn the crop rich Shenandoah Valley into a desert Farms and homes were burned livestock slaughtered and Southern families suffered The story of the Tom's Brook cavalry affair centers on two young men who had risen to prominence as soldiers George A Custer and Thomas L Rosser They had been fast friends since their teenage days at West Point but the war sent them down separate paths Custer to the Union army and Rosser to the Confederacy Each was a born warrior who took obvious joy in the exhilaration of battle Each possessed almost all of the traits of the ideal cavalryman courage intelligence physical strength inner fire Only their judgment was questionable Their separate paths converged in the Shenandoah Valley in the summer of 1864 when Custer was ordered to destroy and Rosser was ordered to stop him For three days Rosser's gray troopers pursued and attacked the Federals On the fourth day October 9 the tables turned in the open fields above Tom's Brook where each ambitious friend sought his own advancement at the expense of the other One capitalized upon every advantage fate threw before him while the other sure of his abilities in battle and eager to fight attempted to impose his will on unfavorable circumstances and tempted fate by inviting catastrophe This long overlooked cavalry action had a lasting effect on mounted operations and influenced the balance of the campaign in the Valley Based upon extensive research in primary documents and gracefully written award winning author William J Miller's **Decision at Tom's Brook** presents significant new material on Thomas Rosser and argues that his character was his destiny Rosser's decision making that day changed his life and the lives of hundreds of other men Miller's new study is Civil War history and high personal drama at its finest To Antietam Creek D. Scott Hartwig, 2012-10-15 A richly detailed account of the hard fought campaign that led to Antietam Creek and changed the course of the Civil War In early September 1862 thousands of Union soldiers huddled within the defenses of Washington disorganized and discouraged from their recent defeat at Second Manassas Confederate General Robert E Lee then led his tough and confident Army of Northern Virginia into Maryland in a bold gamble to force a showdown that could win Southern independence The future of the Union hung in the balance The campaign that followed lasted only two weeks but it changed the course of the Civil War D Scott Hartwig delivers a riveting first installment of a two volume study of the campaign and climactic battle It takes the reader from the controversial return of George B McClellan as commander of the Army of the Potomac through the Confederate invasion the siege and capture of Harpers Ferry the daylong Battle of South Mountain and ultimately to the eve of the great and terrible Battle of Antietam **One Continuous Fight** Eric J. Wittenberg, J. David Petruzzi, Michael F. Nugent, 2008 The titanic three

day battle of Gettysburg left 50 000 casualties in its wake a battered Southern army far from its base of supplies and a rich historiographic legacy Thousands of books and articles cover nearly every aspect of the battle but not a single volume focuses on the military aspects of the monumentally important movements of the armies to and across the Potomac River One Continuous Fight The Retreat from Gettysburg and the Pursuit of Lee s Army of Northern Virginia July 4 14 1863 is the first detailed military history of Lee s retreat and the Union effort to catch and destroy the wounded Army of Northern Virginia Against steep odds and encumbered with thousands of casualties Confederate commander Robert E Lee s post battle task was to successfully withdraw his army across the Potomac River Union commander George G Meade s equally difficult assignment was to intercept the effort and destroy his enemy The responsibility for defending the exposed Southern columns belonged to cavalry chieftain James Ewell Brown Jeb Stuart If Stuart fumbled his famous ride north to Gettysburg his generalship during the retreat more than redeemed his flagging reputation The ten days of retreat triggered nearly two dozen skirmishes and major engagements including fighting at Granite Hill Monterey Pass Hagerstown Williamsport Funkstown Boonsboro and Falling Waters President Abraham Lincoln was thankful for the early July battlefield victory but disappointed that General Meade was unable to surround and crush the Confederates before they found safety on the far side of the Potomac Exactly what Meade did to try to intercept the fleeing Confederates and how the Southerners managed to defend their army and ponderous 17 mile long wagon train of wounded until crossing into western Virginia on the early morning of July 14 is the subject of this study One Continuous Fight draws upon a massive array of documents letters diaries newspaper accounts and published primary and secondary sources These long ignored foundational sources allow the authors each widely known for their expertise in Civil War cavalry operations to describe carefully each engagement The result is a rich and comprehensive study loaded with incisive tactical commentary new perspectives on the strategic role of the Southern and Northern cavalry and fresh insights on every engagement large and small fought during the retreat The retreat from Gettysburg was so punctuated with fighting that a soldier felt compelled to describe it as One Continuous Fight Until now few students fully realized the accuracy of that description Complimented with 18 original maps dozens of photos and a complete driving tour with GPS coordinates of the entire retreat One Continuous Fight is an essential book for every student of the American Civil War in general and for the student of Gettysburg in particular About the Authors Eric J Wittenberg has written widely on Civil War cavalry operations His books include Glory Enough for All 2002 The Union Cavalry Comes of Age 2003 and The Battle of Monroe s Crossroads and the Civil War s Final Campaign 2005 He lives in Columbus Ohio J David Petruzzi is the author of several magazine articles on Eastern Theater cavalry operations conducts tours of cavalry sites of the Gettysburg Campaign and is the author of the popular Buford s Boys website at www.bufordsboys.com Petruzzi lives in Brockway Pennsylvania A long time student of the Gettysburg Campaign Michael Nugent is a retired US Army Armored Cavalry Officer and the descendant of a Civil War Cavalry soldier He has previously written for several

military publications Nugent lives in Wells Maine

Sealed with Their Lives Timothy J. Reese, 1998

As recognized, adventure as skillfully as experience not quite lesson, amusement, as without difficulty as bargain can be gotten by just checking out a book **Ata Torbet Southern Gentleman In Union Blue** as a consequence it is not directly done, you could agree to even more approaching this life, in the region of the world.

We pay for you this proper as skillfully as simple quirk to get those all. We provide Ata Torbet Southern Gentleman In Union Blue and numerous books collections from fictions to scientific research in any way. in the midst of them is this Ata Torbet Southern Gentleman In Union Blue that can be your partner.
