# Atlantis Poems

**Donald Sidney-Fryer**

## Atlantis Poems:

Atlantis, 1935    Atlantis Slavko Mihalić, 1983    *Far from Atlantis* Raymond Luczak, 2023 Far from Atlantis is the latest collection of poetry by deaf author Raymond Luczak In Far from Atlantis Luczak makes use of traditional poetic forms to tell the stories of two vastly different worlds the Upper Peninsula of Michigan and the fabled island of Atlantis    *Poems From Atlantis* Louis Dudek, 1980-01-01 Poems from Atlantis by Luis Dudek    **Atlantis. [Poems and Tales.]** ATLANTIS., 1935    *The Ancient of Atlantis* Albert Armstrong Manship, 1915    *Atlantis and Other Poems* Stanton A. Coblentz, 2011-05-01    *Atlantis* Mark Doty, 1995    **The Atlantis Fragments (Poems)** Donald Sidney-Fryer, 2009-09 These poems are of an unearthly beauty They celebrate love beauty and humanity and yet throughout many of them is a consciousness of impending apocalypse The imagery lush exotic full of colors and magic names is a welcome relief from the sterile prosaic poetry of today If you enjoy tripping on language this book is for you Whether the poems really are from the Atlantean or whether they are the creations of poet Sidney Fryer they deserve to be read and experienced Charles K Wolfe Sidney Fryer is in a very strong sense a traditionalist his creations superlatively original as they are yet give us a powerful feeling of continuity with our own past and culture they make us see the ideals that moved us when we were less secure and more human adventure love of life and above all the intricate beauty of a world long vanished yet not vanished if only we had eyes to see Richard L Tierney Sidney Fryer has created in his fictional Atlantis an entire civilization and a body of absorbing literature The book should appeal to lovers of poetry to devotees of science fiction and to those who admire writers who can fashion a realistic world from the materials of mythology and speculation Earl J Dias Mr Fryer is a profound student of Clark Ashton Smith and the influence shows but he is very much his own poet and he structures and plays with a surety and deftness which is remarkable Gahan Wilson A delightful book of verse purportedly fragments of poetry from the lost Empire of Atlantis that is very much in the tradition of Spenser's Faerie Queene A work that reflects a glittering imagination and no mean talent James Gorski

**The Ancient of Atlantis** Albert Armstrong Manship, 2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant    Atlantis, and Other Poems William Walton Hoskins, 1880    Atlantis Patricia

Goodwin,2006      The Ancient of Atlantis Albert Armstrong Manship,2017-11-25 Excerpt from The Ancient of Atlantis An Epic Poem And peace and solitude brood everywhere When Nature bids the soul to well earned rest And quest of folly loses all its zest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Damascus, Atlantis* Marie Silkeberg,2021-05-11 Epic poems drawn from Swedish writer Marie Silkeberg s most recent books are matched with stills from her poetry films putting word and image in dialogue to explore ruins cityscapes the echoes of history all into the depth of language s power Marie Silkeberg has been a major voice in Swedish poetry since the early 1990s In these poems drawn from her books *Till Damaskus* and *Atlantis* translated by Kelsi Vanada she tackles some of the most wrenching events of recent decades globalization the escalating war in Syria and its ongoing aftermath and consequences The speaker of these poems lives in a reality informed by these events and by an older European history Taking the standpoint of listener and observer forced to confront the horrors in present tense the poems question how we share the pain of others and how the meeting between different experiences of trauma influences language

**Poems Containing History** Gary Grieve-Carlson,2013-11-08 Ezra Pound s definition of an epic as a poem containing history raises questions how can a poem contain history And if it can does it help us to think about history in ways that conventional historiography cannot *Poems Containing History Twentieth Century American Poetry s Engagement with the Past* by Gary Grieve Carlson argues that twentieth century American poetry has contained and helped its readers to think about history in a variety of provocative and powerful ways Tracing the discussion of the relationship between poetry and history from Aristotle s *Poetics* to Norman Mailer s *The Armies of the Night* and Hayden White s *Metahistory* the book shows that even as history evolves into a professional academic discipline in the late nineteenth century and as its practitioners emphasize the scientific aspects of their work and minimize its literary aspects twentieth century American poets continue to take history as the subject of their major poems Sometimes they endorse the views of mainstream historians as Stephen Vincent Ben t does in *John Brown s Body* but more often they challenge them as do Robert Penn Warren in *Brother to Dragons* Ezra Pound in *The Cantos* or Charles Olson in *The Maximus Poems In Conquistador* Archibald MacLeish illustrates Aristotle s claim that poetry tells more philosophical truths about the past than history does while in Paterson William Carlos Williams develops a Nietzschean suspicion of history s value Three major American poets T S Eliot in *Four Quartets* Hart Crane in *The Bridge* and Carolyn Forché in *The Angel of History* present different challenges to professional historiography s assumption that the past is best understood in strictly material terms *Poems Containing History* devotes chapters to each of

these poets and offers a clear sense of the seriousness with which American poetry has engaged the past as well as the great variety of those engagements

Atlantis and Other Poems James H. Seward, 1976      **The Ancient of Atlantis** Albert Armstrong Manship, 2014-03-30 This Is A New Release Of The Original 1915 Edition      **Atlantis, and Other Poems** Stanton Arthur Coblenz, 1960      **Atlantis** Elisabeth Bosch, 2015-04-13 ATLANTIS refers to the island from Greek mythology that many centuries before our era was swallowed by the sea The poems of Elizabeth interpret fleeting moments of astonishment indignation or desire for a world that was lost Image and word thereby form a unit that tries to touch the reader and if possible to move them Those familiar with the work of Elisabeth know that the colorful plates that accompany the poems make the work complete

Atlantis Phillip Michael Callaghan, 2020-01-04 A land lost in the distance The fact that Atlantis is a lost land has made of it a metaphor for something no longer attainable For the American poet Edith Willis Linn Forbes 1865 1945 The Lost Atlantis stands for idealisation of the past the present moment can only be treasured once that is realised Ella Wheeler Wilcox finds the location of The Lost Land 1910 in one s carefree youthful past Similarly for the Irish poet Eavan Boland in Atlantis a lost sonnet 2007 the idea was defined when the old fable makers searched hard for a word to convey that what is gone is gone forever For some male poets too the idea of Atlantis is constructed from what cannot be obtained Charles Bewley in his Newdigate Prize poem 1910 thinks it grows from dissatisfaction with one s condition And because life is partly sweet And ever girt about with pain We take the sweetness and are fain To set it free from grief s alloy in a dream of Atlantis Similarly for the Australian Gary Catalano in a 1982 prose poem it is a vision that sank under the weight of its own perfection W H Auden however suggests a way out of such frustration through the metaphor of journeying toward Atlantis in his poem of 1941 While travelling he advises the one setting out you will meet with many definitions of the goal in view only realising at the end that the way has all the time led inward so here is Atlantis by the author Phillip Michael Callaghan a collection of thought provoking poetry filled with imagination beneath the waves of the past a time long gone but forever set in stone
