Stark Benjamin Mitchell Simpson, 1989 A solid biography of Stark s part in the preparation of the US for a two ocean war his planning of the Grand Alliance with Britain and his designing of the invasion of Europe Maligned and neglected Stark was a major player in WWII This biography throws light on a great career Annotation copyrighted by Book News Inc Portland OR International Journal of Prognostics and Health Management Volume 2 (color) PHM Society, 2013-09-24 International Journal of Prognostics and Health Management IJPHM was established in 2009 to facilitate archival publication of peer reviewed results from research and development in the area of PHM As a journal solely dedicated to the emerging field of PHM IJPHM is the first of its kind and has been a focal point for dissemination of peer reviewed PHM knowledge While for the first few years the journal maintained only an online presence the printed volumes will now be available and can be obtained upon request IJPHM is dedicated to all aspects of PHM technical management economic and social In addition to regular periodic volumes IJPHM also publishes special issues with quality papers dedicated to focused topics *Challenge to Isolation* W.
