Rozich,2025-04-07 A trailblazing woman warrior A manhunt for one of the world s most wanted terrorists And the blurred lines between justice and vengeance Virginia Mahoney has shattered barriers as the first female member of America s most elite special operations unit But her greatest test lies ahead a high stakes mission to eliminate the brutal ISIS leader who tortured and murdered an innocent American aid worker Lieutenant Jacob Roth knows the stakes couldn t be higher Leading his team into the heart of Syria he must balance mission success with protecting his soldiers including the remarkable woman who is changing everything he thought he knew about combat and courage As their hunt unfolds in moonless desert nights and through winding underground tunnels both Mahoney and Roth will face impossible choices that challenge the very core of their beliefs about duty honor and the true cost of rendering justice in a world of shadows From the cramped briefing rooms of military bases to the unforgiving battlefields of Syria this pulse pounding military thriller explores the price of being a pioneer the bonds forged in elite combat units and the sometimes impossible choices faced by those who serve With authenticity drawn from deep research into special operations and modern warfare this story asks In the pursuit of justice where do we draw the line And who gets to draw it A remarkable book that will leave readers questioning their own beliefs about right and wrong duty and justice while delivering an unforgettable portrait of those who willingly step into the darkness to protect others

Leaf Runner John C. Stroebe,2023-07-17 Mercer Evans found himself waking from a fitful sleep in a cold sweat for the past few nights It was not the lucidity of his conversations nor the striking realism of his dreams that shook him but rather the horrifyingly gruesome deaths that ended each nightmare Were these dreams the product of the empty bottles on Mercer s nightstand and the creeping solitude of his studio apartment or was there something more to the terrors that plagued him Leaf Runner follows Mercer as he transcends time and experiences the potential dangers of changing his past and the intertwining histories of the many lives that went before him The result is a relentlessly suspenseful pursuit played

out during pivotal historical moments as Mercer and a collection of time travelers called Leaf Runners attempt to prevent a group of zealots from changing the world as we know it Read the prologue and you won t be able to put this book down until The End *The Parliamentary Debates (official Report)*.
