   Doctrines of the Creed Oliver Chase Quick,1938   **Doctrines of the Creed** Oliver Chase Quick,1954   Doctrines of the Creed Oliver Chase Quick,1949   **The Creed Explained, Or, An Exposition of Catholic Doctrine** Arthur Devine,1897   *Doctrines of the Creed* Oliver C. Quick,1951   **The Creed** Luke Timothy Johnson,2004-08-17 This thoughtful fully accessible exploration of the creed the list of beliefs central to the Christian faith delves into its origins and illuminates the contemporary significance of why it still matters During services in Christian communities the members of the congregation stand together to recite the creed professing in unison the beliefs they share For most Christians the creed functions as a sort of ABC of what it means to be a Christian and to be part of a worldwide movement Few people however know the source of this litany of beliefs a topic that is further confused by the fact that there are two different versions the Apostle s Creed and the Nicene Creed In The Creed Luke Timothy Johnson a New Testament scholar and Catholic theologian clarifies the history of the creed discussing its evolution from the first decades of the Christian Church to the present day By connecting the deep theological conflicts of the early Church with the conflicts and questions facing Christians today Johnson shows that faith is a dynamic process not based on a static set of rules Written in a clear graceful style and appropriate for Christians of all denominations The Creed is destined to become a classic of modern writings on spirituality   *Credo* Hans Küng,1993 The controversial Swiss theologian offers his thoughtful explanation of what the ancient profession of Christian faith The Apostles Creed can mean for us today   **What Christians Ought to Believe** Michael F. Bird,2016-07-05 Summarizes the basic tenets of the Christian faith using the Apostles Creed as its entryway The Apostles Creed is a treasure trove of basic Christian beliefs and wisdom that helps ensure the integrity and orthodoxy of our faith Sadly modern churches have often hesitated to embrace the ancient creeds because of our nothing but the Bible tradition What Christians Ought to Believe will open your eyes to the possibilities of the Apostles Creed as a way to explore and understand the essential teachings of the Christian faith Michael Bird deftly weaves together theological commentary tips for application and memorable illustrations Each chapter following the Creed s outline introduces the Father the Son and the Spirit and the Church An appendix includes the Apostles Creed in the original Latin and Greek What Christians Ought to Believe is ideally suited for both the classroom and the church setting to teach beginning students and laypersons the basics of what Christians ought to affirm if they are to be called Christians   *I believe* ALISTER MCGRATH,2020-05-21 What are the basics of Christian belief How can you know the most important elements of the faith When you hear people talk about doctrines that seem unfamiliar how can you know if they are at the core of Christianity or outside the center The basics of Christian faith have remained the same for centuries Affirmed by the church around the world since its earliest years these truths are summarized in documents known as creeds Among these the Apostles Creed is one of the most important In this brief book Alister McGrath introduces you to the essential truths about God the Father the person and work of Jesus Christ

and the Holy Spirit Divided into six sections with reflection and discussion questions included for each core truth I Believe is ideal for your personal study or for use in a small group or Sunday school class Here is the basic book you need to understand the basics of Christianity **Early Christian Creeds** J.N.D. Kelly,2014-07-10 A comprehensive study of the rise development and use of credal formulaines in the creative centuries of the Church s history *Doctrines of the Creed* Oliver Chase Quick,2020-01-31 Systematic theology has a distinct field of its own to which in the Church of England at least insufficient attention is being paid This neglect is due in part to a failure to recognize the distinct aim of systematic theology and to a confusion of its proper subject with others especially that of dogmatics Dogmatic theology concerns itself mainly with the genesis and original significance of traditional dogma and in so far as it turns its attention from the past to the present it seeks only to answer the question What does the Church teach as de fide Or To what beliefs are the teachers and members of the Church essentially committed Systematic theology on the other hand asks the question How can we best understand and interpret as a coherent whole the doctrinal tradition of our Church in relation to that particular world in which we are now called upon to uphold the Christian faith Systematic theology can only be written from the point of view of a particular Church tradition but it does not claim any dogmatic authority for its conclusions The answer given to its central question is bound to vary more or less with the individual and the variation is likely to be particularly marked in a Communion which like the Anglican includes widely different schools of thought A man is trained in systematic theology not by learning and accepting any particular presentation of it but rather by exercising his powers of understanding and criticism upon some particular presentation This book of which much of the substance has been delivered in the form of lectures to theological students at Durham is an attempt to provide such a presentation with reference to the main doctrines of the Christian Creed Oliver Chase Quick **Early Christian Creeds** John Norman Davidson Kelly,1981 A comprehensive study of the rise development and use of credal formulaines in the creative centuries of the Church s history **I Believe** Edward Goble,2019-11-13 A Creed is a system doctrine or formula of religious belief Since ours was not a church going family in the early years Jesus Loves Me was the closest thing I had to an authoritative formulated statement of belief Through my mothers love this creed if you will led me to believe A creed based on God s eternal truth is a foundation upon which your life both spiritually and physically can be built and upon which you can stand without fear Early in church history the creative clever minds of well intentioned people began to develop theories and doctrines about Jesus and the Trinity of Father Son and Holy Spirit that were contrary to what they had always believed The core truths of the faith that were passed along by the apostles and faithful teachers began to be challenged and questioned By the 4th century something had to be done to reel everyone back in to remind everyone and cast in stone so to speak the core message of the Christian faith A council was called of all the Bishops of the church to be held in Nicea a city in what is now Turkey They gathered in the year 325 and hammered out the main part of the creed Then in 381 they gathered again and completed it This small guide reviews the
