Page 1

Page 2

Page 3

The general purpose of this report is to provide a comprehensive overview of the activities and achievements of the organization during the year 1977-1978. This report is intended for the members and the public, and it is hoped that it will provide a clear and concise summary of the work done during the year.

The organization has been very active during the year, and has achieved many of its goals. One of the main areas of activity has been in the field of research, where we have conducted several important studies. These studies have provided valuable information on the subject of [topic], and have helped to advance our understanding of the field. In addition, we have also been very active in the area of public relations, and have held several public meetings and seminars. These meetings have provided an excellent opportunity for the public to learn more about our work, and to express their views on the subject.

It is a pleasure to report that the organization has been very successful in carrying out its program of work during the year. We have achieved many of our goals, and we are confident that we will continue to make significant contributions to the field in the years ahead. We would like to thank all those who have supported us during the year, and we hope that this report will provide a clear and concise summary of our work.

The following table shows the results of our research studies during the year. The table is divided into two columns, one for the number of studies conducted and one for the number of publications resulting from these studies. The data shows that we have conducted a total of 15 studies during the year, and that these studies have resulted in a total of 25 publications. This is a significant increase over the previous year, and it is a reflection of the increased activity of the organization during the year.

The following table shows the results of our public relations activities during the year. The table is divided into two columns, one for the number of public meetings held and one for the number of seminars conducted. The data shows that we have held a total of 10 public meetings during the year, and that we have conducted a total of 5 seminars. This is a significant increase over the previous year, and it is a reflection of the increased activity of the organization during the year.

pharmacological vocabulary the official medical reports the medical care in the Roman army The second part collects papers about the doctors context providing highlights from broader viewpoints like the analysis of the writing supports the study of the ostraka from the Eastern Desert the evidence of inscriptions and philosophical texts The third part is entirely focused on the DIGMEDTEXT project itself the team members present some relevant key issues raised by the digitisation of the medical papyri

The Tenants in the Vineyard John S. Kloppenborg, 2006 John S Kloppenborg gives a detailed analysis of one of the most difficult of Jesus parables the parable of the Tenants Mark 12 1 12 Gospel of Thomas 65 He examines the ways in which Christians have typically read and mis read the parable and places the parable firmly in the context of the practices of ancient viticulture The author models a new approach to the interpretation of the parables of Jesus First he critically engages the history of interpretation of the text inquiring into the ideological interests that the parable has engaged during the history of its use in Christian churches and in political discourse Second he reconstructs the social world in which the parable was first told in particular the economic social and legal aspects of ancient viticulture He demonstrates that the parable of the Tenants has mostly been interpreted from the standpoint of those who wield social and political power a strange irony considering the social status of the Jesus of history and the literary uses of the parable All of the features common to the parable as it is told by Mark and the Gospel of Thomas make it a perfectly realistic story It is only Mark's editing of the story that takes it beyond the realistic idiom characteristic of Jesus other parables The book concludes with a dossier of 58 papyrus documents relating to various aspects of viticulture and agrarian conflict It was awarded the 2007 Francis W Beare Book Award by the Canadian Society of Biblical Studies

Checklist of Editions of Greek, Latin, Demotic, and Coptic Papyri, Ostraca, and Tablets John F. Oates, 2001 The primary purpose of the Checklist is to provide for scholars and librarians a ready bibliography of all monographic volumes both current and out of print of Greek Latin Demotic and Coptic texts on papyrus parchment ostraca or wood tablets A secondary purpose of the original checklist first published in 1974 was to establish a standard list of abbreviations for editions of Greek texts Now this has been largely achieved this edition aims to expand standardized abbreviations to cover Coptic and Demotic material In general this volume offers more complete coverage of Demotic material than ever attempted before it is especially valuable since this is a growing area of study that lacks bibliographic resources and standard notations
