Does Christianity Make Sense:

Does Christianity Make Sense? Frederick Arthur Cockin, 1948 **Does Christianity Still Make Sense?** Bobby Conway, 2024-04-23 A chronic doubter responds to 20 of the most difficult questions about Christianity From the Foreword by J Warner Wallace A book written by a man who has genuinely struggled with the questions wrestled with doubts and emerged faithful on the other side He understands you Does Christianity still make sense Years after Bobby Conway became a Christian this question haunted him Even though by then he was the pastor of a thriving church it seemed as if his entire belief structure was being dismantled Had he been duped Perhaps you can relate to how Bobby felt Maybe you find yourself questioning in the same way In this book Bobby describes his own long journey through chronic doubt to a settled and confident trust In this book he responds to the twenty toughest challenges to the Christian faith including these difficult questions Why are there so many scandals in the Church Aren't Christians just a bunch of hypocrites Why do Christians use God's name to oppress others Why are so many Christians racists Why does God allow evil in the world Is there reliable evidence for God's existence Join Bobby in this book as he explores these questions and many more while describing how he was hammered with doubts for years *Christianity Does Make Sense* Nathanael M. Guptill, 1956 **Does Christianity Still Make Sense? Study Guide** Bobby Conway, 2024-04-23 A study guide that helps you understand and respond to the biggest challenges to the Christian faith Written by a former skeptic Does Christianity still make sense Years after Bobby Conway became a Christian this question haunted him Even though by then he was the pastor of a thriving church it seemed as if his entire belief structure was being dismantled Had he been duped Perhaps you can relate to how Bobby felt Maybe you find yourself questioning in the same way In this study guide designed to be used alongside the book *Does Christianity Still Make Sense* Bobby explores four key challenges to the faith Why Are There So Many Scandals in the Church Why If God Is Good Is There So Much Evil Why Is Christianity So Exclusive Hasn't Science Buried God Join Bobby as he explores these questions while describing his own journey through doubt to a settled trust in God Companion videos available for streaming at Tyndale Christian Resources [Christian Apologetics in a World Community](#) William Dyrness, 2002-05-20 Christians have always felt a duty to explain and defend their faith but in today's global village that duty can easily become a burden What can Christians say to Hindus to third world Communists to agnostic social or natural sciences No creed or catechism can adequately deal with all the challenges to Christianity What we need is a comprehensive model of the Christian faith one that can meet widely varied challenges without compromising the gospel After describing how Christians have done apologetics in the past William Dyrness sketches a model for effective apologetics in the twenty first century He shows how his model relates to various non Christian philosophies as well as how it speaks to many Christian concerns including the problem of suffering **Apologetics beyond Arguments** Emil Børty Nielsen, Christian apologetics is often seen as the art of defending the truth of the Christian faith through arguments As a result most books focus on debating evidence Apologetics

Beyond Arguments breaks new ground by addressing a critical gap the lack of methodological reflection in the field This book presents a fresh meta apologetic framework redefining apologetics as the practice of Christian persuasion By doing so it opens the door to new insights and questions drawn from fields such as rhetoric psychology and ethics bridging the gap between sound arguments and effective persuasion

What's the Least I Can Believe and Still Be a Christian? New Edition with Study Guide Martin Thielen, 2013-02-13 Pastor and author Martin Thielen has compiled a list of ten things people need to believe and ten things they don't in order to be a Christian This lively and engaging book will be a help to seekers as well as a comfort to believers who may find themselves questioning some of the assumptions they grew up with With an accessible storytelling style that's grounded in solid biblical scholarship Thielen shows how Christians don't need to believe that sinners will be left behind to burn in hell or that it's heresy to believe in evolution And while we must always take the Bible seriously we don't always have to take it literally At the same time Christians do need to believe in Jesus his life his teachings his death and resurrection and his vision for the world A great benefit of those beliefs is that they provide promising answers to life's most profound questions including Where is God What matters most What brings fulfillment What about suffering Is there hope Thielen articulates centrist mainline Christianity in a way that's fresh and easy to understand and offers authentic Christian insights that speak to our deepest needs This new edition includes a leader's guide previously only available online and a new introduction from the author that reflects on the book's reception The leader's guide features unique and easily implemented aids for carrying out a seven week congregation wide initiative that will help local churches reach out to their communities More information is available at thielen.wjkbooks.com

The Trouble with the Truth Leader Guide Rob Renfroe, 2014-05-27 There's a lot of talk today about culture wars but these external conflicts are only a symptom of a deeper problem there is trouble with the truth Beneath our differences about the values that should define our culture is a real disagreement about what is true Those who hold to the traditional beliefs of the Christian faith find themselves at odds with a culture that no longer believes there are universal spiritual or moral truths that apply to everyone And they grieve that the confusion about what is true is just as strong in the church The Trouble with the Truth explores the truth why it's in trouble what the culture tells us about it and why the church is so confused about it In an engaging and compelling style Rob Renfroe reminds us that the Christian life requires commitment to both truth and grace Like a tightrope walker with a balance bar we must learn to balance compassion for people and passion for truth combining them in equal measure just as Jesus did Readers will examine the essentials about truth and grace understand the differences between a cultural worldview and a scriptural worldview and discover how to be instruments of real influence and transformation in our time by following Jesus's example The Leader Guide contains six session plan outlines complete with discussion points and questions activities prayers and more plus leader helps for facilitating a group

Does Christianity Make Sense Introduction

In today's digital age, the availability of Does Christianity Make Sense books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Does Christianity Make Sense books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Does Christianity Make Sense books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Does Christianity Make Sense versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Does Christianity Make Sense books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Does Christianity Make Sense books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Does Christianity Make Sense books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Does Christianity Make Sense books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Does Christianity Make Sense books and manuals for download and embark on your journey of knowledge?
