Tisdale Jr.,2017-02-21 I have discovered that there is a serious misunderstanding when it comes to prayer I had an awakening that it was much more than what I had been led to believe I received a challenge around the middle of the year of our Lord 1999 from a member of the Rehoboth Baptist Church named Djuana Jackson Tomlin who at the time was wrestling on how to pray effectively She came to me as her pastor and asked Will you teach us about prayer I somewhat ignored her and said within my spirit Everybody know how to pray All she needed to do is get on her knees at night before she goes to bed and pray That was my understanding because that was the way I was brought up as a child My parent taught me before I went to bed to say my prayers I would pray Lord lay me down to sleep I pray the Lord my soul to keep If I should die before I wake I pray the Lord my soul to take Now bless Mama and bless Daddy amen Evidently she had been doing that and more but she was still unfulfilled So she just kept on troubling me with the question When are you going to teach us how to pray This went on for some four to five months Upon her persistence to be taught on prayer a study of teaching on prayer began in December 1999 on the topic of What is Prayer and the preaching on prayer began in January 2000 with a seven part series of sermons entitled Barriers to Answered Prayer The Holy Spirit continued to inspire sermons on prayer for ten months The teachings on prayer continued for better than eleven months What God revealed to me concerning prayer revolutionized my life **The Prayer Closet** Godwin Arisa,2016-12-20 This book contains spiritual truths about prayer and how to position the believer to pray effective prayers Drawing heavily on revelations from the Holy Spirit this book serves up ground breaking knowledge about an art of prayer hidden to a majority of believers until now With the supreme word of God echoing loudly throughout its dialogue with the reader The Prayer Closet Praying Effective Prayers unveils powerful foundations of effective prayers as well as hidden obstacles to prayer The book does not conclude before putting forth a practical teaching on how to pray and does so while breaking exciting new ground with profound insight on the spiritual ingredient that make effective prayers
