At Eternity's Gate:

ArtCurious Jennifer Dasal,2020-09-15 A wildly entertaining and surprisingly educational dive into art history as you've never seen it before from the host of the beloved *ArtCurious* podcast. We're all familiar with the works of Claude Monet thanks in no small part to the ubiquitous reproductions of his water lilies on umbrellas, handbags, scarves, and dorm room posters. But did you also know that Monet and his cohort were trailblazing rebels whose works were originally deemed unbelievably ugly and vulgar? And while you probably know the tale of Vincent van Gogh's suicide, you may not be aware that there's pretty compelling evidence that the artist didn't die by his own hand but was accidentally killed or even murdered. Or how about the fact that one of Andy Warhol's most enduring legacies involves Caroline Kennedy's moldy birthday cake and a collection of toenail clippings? *ArtCurious* is a colorful look at the world of art history, revealing some of the strangest, funniest, and most fascinating stories behind the world's great artists and masterpieces. Through these and other incredible, weird, and wonderful tales, *ArtCurious* presents an engaging look at why art history is and continues to be a riveting and relevant world to explore. **At Eternity's Gate**, 2017 **Digital Scholarly Editions Beyond Text** Tessa Gengnagel,2024-02-07

Scholarly editions contextualize our cultural heritage. Traditionally, methodologies from the field of scholarly editing are applied to works of literature, e.g., in order to trace their genesis or present their varied history of transmission. What do we make of the variance in other types of cultural heritage? How can we describe, record, and reproduce it systematically? From medieval to modern times, from image to audiovisual media, the book traces discourses across different disciplines in order to develop a conceptual model for scholarly editions on a broader scale. By doing so, it also delves into the theory and philosophy of the digital humanities, as such. *At Eternity's Gate* Kathleen Powers Erickson,1998 Based on Van Gogh's personal correspondence, this biography shows the artist's pilgrimage of faith from his early religious training through his evangelical missionary periods to his struggle with religion and modernity. 24 illustrations **Murder & Mayhem on the Texas Rails**

Jeff Campbell,Interurban Railway Museum,2022-05-30 Texas has a long romantic history when it comes to railroads. But even though steam engines and streetcars offer nonstop service to Nostalgia City, there's a dark side to Texas rail. The Black Widow of Fort Worth engineered a fatal double-cross at a railroad crossing. The Mountaineer Madman brought death to the Texas Electric Railway while the Trolley Bandit terrorized the citizens of El Paso. From a freak accident involving a banana peel to a tragic trip to see Santa Claus, Jeff Campbell and the staff of the Interurban Railway Museum cross the Lone Star State on trains derailed by murder and mayhem. **John Dewey'deneyim ve sanat** Ayşe Eroğlu,2017-04-10 Pragmatist
