Chryssides, 2011 The Heaven s Gate suicides were part of a series of major violent incidents involving New Religions in the 1990s Despite the major attention that Heaven s Gate attracted there have been few scholarly studies This anthology on Heaven s Gate includes a combination of articles previously published in academic journals some new writings from experts in the field and some original Heavens Gate documents All the material is expertly brought together under the editorship of George Chryssides The Reunion at Heaven'S Gate and Other Stories Shel Weissman, 2017-12-18 The Reunion at Heavens Gate and Other Stories continues in the examination of the collision and complexities of survival redemption and change The author reveals the dark corners of characters and their immense desire to rise above what appears to be insurmountable odds Their burdens are deep yet their courage to triumph brings hope and revitalization Weissman is an optimist and is revealed through the veil of his characters which often appear in danger of losing it all Their need to move forward becomes greater than the twisted circumstances they have difficulty relinquishing The stories overflow with excitement compassion and truthfulness *Heaven's Gate* Bill Hoffmann, 1997 At Heaven's Gate Robert Penn Warren, 1943 People I Met at the Gates of Heaven Don Piper, Cecil Murphey, 2018-11-06 Picking up where bestselling 90 Minutes in Heaven left off Don Piper reveals for the first time the sacred intimate details of the people who met him at the gates of heaven and the profound impact they had on his faith on earth In this incredible follow up to his eight million copy bestseller 90 Minutes in Heaven Don Piper shares untold stories about his encounters with people who greeted him at the gates of heaven and offers powerful

insights about the way for us to live our lives on earth Don Piper's unforgettable account of a horrific car accident that took his life and what happened next has riveted more than eight million readers Something happened as he shared his story in the years since Not only did Piper realize he had more to tell he had yet to share the most sacred and intimate details of his time in heaven about the people who met him at the gates I have never left a speaking engagement without people wanting to know more he said In *The People I Met in Heaven* Piper takes readers deeper into his experience which includes never before told encounters with the people who met him when he arrived in heaven those who helped him on his journey that led to the entrance to God's heavenly home Even more Piper recounts the majesty of heaven and the glorious reunion that awaits us there He offers practical insights inspiration and a challenging call that while we're on earth we need to obey Jesus' command to go and make disciples of all nations *How and when "heaven's Gate" (the Door to the Physical Kingdom Level Above Human) May be Entered*, 1998

Heaven's Gate Benjamin E Zeller, Robert W Balch, 2014-10-31 The captivating story of the religious group focused on transcending humanity and the Earth and seeking salvation in the literal heavens on board a UFO 2015 Best Book Award from the Communal Studies Association In March 1997 thirty nine people in Rancho Santa Fe California ritually terminated their lives To outsiders it was a mass suicide To insiders it was a graduation This act was the culmination of over two decades of spiritual and social development for the members of Heaven's Gate In this fascinating overview Benjamin Zeller not only explores the question of why the members of Heaven's Gate committed ritual suicides but interrogates the origin and evolution of the religion its appeal and its practices By tracking the development of the history social structure and worldview of Heaven's Gate Zeller draws out the ways in which the movement was both a reflection and a microcosm of larger American culture The group emerged out of engagement with Evangelical Christianity the New Age movement science fiction and UFOs and conspiracy theories and it evolved in response to the religious quests of baby boomers new religions of the counterculture and the narcissistic pessimism of the 1990s Thus Heaven's Gate not only reflects the context of its environment but also reveals how those forces interacted in the form of a single religious body In the only book length study of Heaven's Gate Zeller traces the roots of the movement examines its beliefs and practices and tells the captivating story of its people The most thorough work on the cult of Heaven's Gate that is presently available
