

at loggerheads

Shakespeare used 'loggerhead' to describe an idiot. It's from the word 'logger' which was a heavy lump of wood which animals were tethered to.

A loggerhead is also an iron tool used for caulking - heating and pouring tar to seal a ship's seams. Sometimes used to heat drinks. It was also an effective weapon.

It is uncertain whether the meaning of the phrase comes from a fight with the iron tool or from two blockheads arguing. To be at loggerheads is to be engaged in a dispute.

At Loggerheads

H Kauffman

At Loggerheads:

Right here, we have countless books **At Loggerheads** and collections to check out. We additionally provide variant types and furthermore type of the books to browse.
