Joseph Gregory Horner

Ami Spanish Language Edition:

This Land Is Our Land Alex Stepick, 2003-05-26 Drawing from in depth fieldwork in the city and looking closely at events such as the Elian Gonzalez case this text examines interactions between immigrants and established Americans in Miami to address fundamental questions of American identity and multiculturalism

The Multilingual PC Directory Ian Tresman, 1993

Language Loyalties James Crawford, 1992-06 As late as 1987 two thirds of the Americans who responded to a national survey believed that English was the official language of the United States In fact the Constitution is silent on the issue Since Senator S I Hayakawa first proposed an English Language Amendment in Congress in 1981 Official English has been considered in forty seven states and adopted by seventeen the amendment is pending in the 102d Congress Supporters argue that English has always been our common language a means of resolving conflicts in a nation of diverse racial ethnic and religious groups and an essential tool of social mobility and cultural integration Opponents charge that the amendment is unnecessary and that it threatens civil rights educational opportunities and free speech wrapping racist biases in a cloak of patriotism *Language Loyalties A Source Book on the Official English Controversy* provides a balanced comprehensive guide to this complex and often confusing debate It is an essential handbook and reference for advocates educators policymakers jurists scholars and citizens who seek to join this debate fully informed Addressing the issues involved in developing America s first planned national language policy James Crawford has expertly collected and introduced more than eighty five source documents and articles

City of Hope, City of Rage Seth A. Weitz, 2024 In *City of Hope City of Rage* Miami 1968 1994 Seth A Weitz examines the transformative period when the young city founded under Jim Crow in 1896 and searching for an identity after the upheavals of the 1950s and 60s began to strive for maturity Tracing three turbulent decades marked by mass immigration racially motivated uprisings economic inequity rising crime and social change *City of Hope City of Rage* tells the story of Miami s evolution from a predominantly white southern city and vacation community into what is now a global predominantly Hispanic metropolis with an international tourist base one which nevertheless remains one of the most segregated cities in the United States Drawing on numerous primary sources including one on one interviews with people who lived the history Weitz assembles a kaleidoscopic portrait of his hometown s coming of age returning again and again to the question of how Miami is defined who gets to define it and by extension the parameters of civic identity and belonging in an increasingly cosmopolitan network of communities
