

An Ethics Of Personality

John Michael Doris

An Ethics Of Personality:

An Ethics of Personality Agnes Heller, 1996 In this closing volume of the author's trilogy *A Theory of Morals* Heller addresses the existence of morality after the death of God She explores Nietzsche's ethics of personality as exemplified in his critical engagement with Wagner's Parsifal in his *A Genealogy of Morals* and examines the case for a non absolutist ethics employing ideas norms and rules from traditional and modern moral philosophies particularly those of Kant and Kierkegaard Annotation copyright by Book News Inc Portland OR

Types of Men Eduard Spranger, 1928 *Types of Men* Eduard Spranger, Paul John William Pigors, 1966

Ethics and Personality John Deigh, 1992 Attachment trust respect integrity conscience guilt shame revenge depravity gratitude and forgiveness are among the topics discussed in this broad ranging volume This collection of thirteen essays focuses on emotions and motives that relate to our status as moral agents our capacity for moral judgment and the practices that help to define our social lives Some of the authors develop new lines of thought within a recognized school of philosophy or a well established program of research Others present novel conceptions of their subject independently of any single school or program Collectively each essay in *Ethics and Personality* represents a time honored tradition in ethics studies designed to throw light on fundamental questions within the discipline through investigation of the complexities of the human soul *Ethics and Personality* is a suitable text for advanced level courses and graduate seminars in ethics and philosophical psychology

Varieties of Moral Personality Owen Flanagan, 1993-01-01 Owen Flanagan argues in this book for a more psychologically realistic ethical reflection and spells out the ways in which psychology can enrich moral philosophy Beginning with a discussion of such moral saints as Gandhi Mother Teresa and Oskar Schindler Flanagan charts a middle course between an ethics that is too realistic and socially parochial and one that is too idealistic giving no weight to our natures

Ethics and Personality Robin Wildt Hansen, 2024-05-15 Do you know what you value at the deepest level Knowing your core value is the key to making life choices that align harmoniously with your inner self This book presents a way to acquire that knowledge It is connected with how Jung's psychological types relate to ethical values I will present you with a detailed ethical and psychological analysis that I conducted on eight people belonging to two of the sixteen types of the Myers Briggs Type Indicator MBTI The study isolates the core value of the INFP as well as that of the ENFP and results in a surprising insight that looks applicable to all types

Character and Moral Psychology Christian B. Miller, 2014-01-09 Philosophers and psychologists have been hard at work trying to unlock the mysteries of our characters Unfortunately their answers have been all over the map According to one position every single person has all of the moral virtues such as modesty and compassion although to varying degrees Yet according to another position no one has any character traits at all since they are simply illusions and do not exist Hence not one person is honest or compassionate or courageous And between these extremes there are plenty of intermediate views Christian B Miller argues that not one of these leading positions accurately reflects what most of us are like today He explores the implications of the Mixed Trait

framework a theory of moral character developed in his previous book *Moral Character An Empirical Theory* Mixed traits have both morally positive aspects hence they are not vices along with morally negative aspects hence they are not virtues Miller engages with the other leading positions on the empirical nature of character situationism the CAPS model the Big Five model and the local trait model He goes on to apply the Mixed Trait framework to several important topics in ethics especially the development of an error theory about judgments of character and the challenge faced by virtue ethics from the widespread lack of virtue

Ágnes Heller and Hannah Arendt Ángel Prior Olnos, Ángel Rivero, 2018-09-30 This book reconstructs through texts by Agnes Heller and international scholars a timely conversation between Hannah Arendt and Heller on the malaises of modernity This valuable work will be appreciated both by academics and students interested in social and political philosophy in addition to the wider public curious of intellectual history Both Arendt and Heller are great thinkers with the ability to enlighten the great moral and political problems of our time Although these two great figures belong to different generations the dialogue reconstructed here provides a fuller picture of the demise of the great totalitarian forces of the twentieth century Both Arendt and Heller in a sense accepted the burden of understanding the evils of their age It is however Heller by addressing the perennial problems of modernity posed by Arendt who makes this conversation possible illuminating the problems of this century

Freedom and Dissatisfaction in the Works of Agnes Heller Lucy Jane Ward, 2016-12-27 Ward's book focuses on the work of the Hungarian philosopher Agnes Heller prominent member of the Budapest School a group of students who studied under the Marxist social theorist György Lukács For both Marx and Heller albeit in different ways dissatisfaction emerges as the inevitable result of the expansion of needs within modernity and as a catalyst for the development of anthropological wealth what Marx refers to as the human being rich in need Ward argues that dissatisfaction and the corresponding category of human wealth as both motif and method is central to grasping Heller's seemingly disparate writings While Marx postulates a radical overcoming of dissatisfaction Heller argues dissatisfaction is integral not only to the on going survival of modernity but also to the dynamics of both freedom and individual life In this way Heller's work remains committed to a position that both continually returns and departs is both with and against the philosophy of Marx This book will be of interest to scholars of political philosophy social theory critical theory and sociology

Engaging Agnes Heller Katie Terezakis, 2009-03-16 This collection of essays examines the life and thought of Agnes Heller who rose to international acclaim as a Marxist dissident in Eastern Europe then went on to develop one of the most comprehensive oeuvres in contemporary philosophy putting forward a distinctive ethical theory and analyses of a vast range of topics covering most every philosophical area Here philosophers sociologists journalists and political scientists contextualize compare and assess different elements of Heller's work the collection as a whole highlights relevant shifts within that work as well as its intrinsic consistency Essays in the collection address the relationship between philosophy political practice and everyday life Heller's theory of modernity and her ethical theory her recent scholarship on

comedy and the Biblical book of Genesis her theories of radical needs and radical politics her aesthetic theory and questions about her relationship to feminist theory The collection includes Heller s reflections on the collected essays as well as an early essay on her mentor Luk cs that exposes her own steadfast engagement with certain practical and philosophical issues throughout her life s work *From Personality to Virtue* Alberto Masala,Jonathan Webber,2016-02-25 Character plays a central role in our everyday understanding and evaluation of ourselves and one another It informs the expectations that ground our plans and projects our moral responses to other people s behaviour and to opportunities we ourselves face and our political decisions concerning formal education criminal punishment and other aspects of social organisation The very idea that people have persisting character traits that explain their behaviour is woven throughout the fabric of our culture These philosophical essays clarify this idea of character analyse its relation with the findings of experimental psychology and draw out the implications of this for education and for criminal punishment They bring together a range of issues in contemporary philosophy including the nature of agency the modelling of behavioural cognition ethical implications of personal necessity moral responsibility for implicit bias the prospects for character education and the nature of rightful criminal punishment The essays emphasise that character is inherently dynamic challenging the tendency among personality psychologists and virtue ethicists alike to focus on static snapshots of traits and they emphasise the close integration of character with the individual s social context seeking to accommodate the situationist experimental findings within a picture of behaviour as manifesting stable character traits The volume is intended to demonstrate the deep conceptual affinity of moral philosophy and social psychology and the consequent potential for each to benefit from the other The Treatment of Personality by Locke, Berkeley and Hume Jay William Hudson,1983 *Character* Jay R. Elliott,2017 Pt 1 Character and action in virtue ethics pt 2 Traits and behavior in psychology pt 3 Understanding the virtue ethics situationism debate

Character Trouble John Michael Doris,2022 John M Doris has been a leading proponent of interdisciplinary approaches to moral psychology for decades His work has transformed the way in which philosophers approach questions of character virtue and agency This selection of his work focuses on the ways in which human personality orders or fails to order moral cognition and behaviour **Personality and Christian Ethics** Walter George Muelder,1943 **Journal of the American Society for Psychical Research** American Society for Psychical Research,1915 List of members in v 1 6 12 **The Science of Tendencies Or of the Spiritual** Matrona Angelo Burris,1923 The Treatment of Personality by Locke, Berkeley and Hume Jay William Hudson,1911 *Personality, Identity, and Character* Darcia Narváez,Daniel K.
