to discover who your Designer is The confirmation is that you will come to realize what you know and what you have always known and this will restore to you your self respect your ability to love and the greater strength that has been given to you And yet we bring you a challenge as well a challenge to learn what Knowledge and Wisdom mean within the Greater Community and why they are necessary both to heal the great problems that humanity faces within the world and to face the greater challenge of encountering intelligent life from the Greater Community Come with us then Come to receive and come to give Come to learn and come with the willingness to experience and to explore with an open mind The Greater Community Way of Knowledge is not here to fulfill the past or even to explain the past It is here to bring you into the present and to prepare you for the future This is why you have come into the world and this will give meaning and direction to all that you have done thus far The Greater Community Way of Knowledge will give you a new foundation to fully realize why you are here and who sent you
